# Majestic Trails Lead To Resorts World Manila

One-stop, Nonstop Hub Redefines Grand Entertainment and World-Class Leisure

Since its early years, the Philippine Performing Arts has always been synonymous to feasts and celebrations, thus the most happening place in Manila pursues its revival for the nostalgic and current generations of theatre enthusiasts, while offering a gamut of thrilling lifestyle alternatives for the many varied tastes of its guests.

Resorts World Manila, with its incessant campaign to take the Philippine Theatre Arts and its artists towards the limelight of the international entertainment industry, pursues this venture by producing world class performances such as the enigmatic Kaos and the record-setting The Sound Of Music.

True to its reputation as the foremost one-stop, nonstop tourism destination for world-class entertainment and ultimate leisure thrills, Resorts World Manila (RWM) offers its third theatre production this 15th of September with Rodgers and Hammerstein's poignant classic The King And I. The mega-musical shall be staged at the majestic halls of the innovative Newport Performing Arts Theater (NPAT) within Resorts World Manila's plush Newport Mall in Pasay City.

Internationally-renowned theatre greats Leo Tavarro Valdez and Monique Wilson headline Resorts World Manila's third stage offering The King And I

Enjoy a most luxurious and relaxing stay at any of three prime lodges.

Experience total relaxation at various wellness amenities within the grand estate

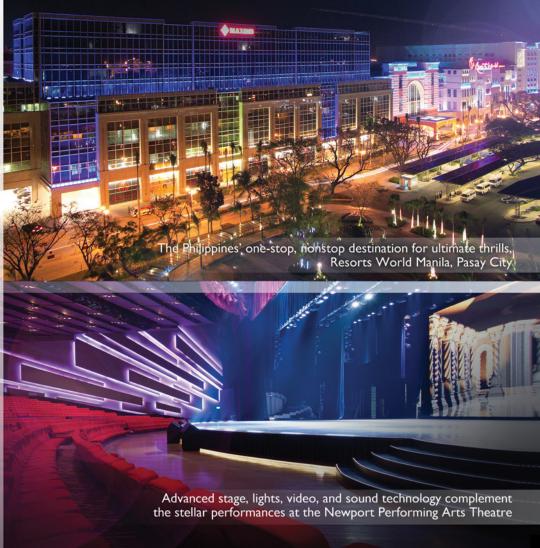

A thrilling nightlife never fails to wow guests in various party places

Sumptuous fare from all over to cater to varying tastes

The absolute shopping experience await the chic and fashion savvy

In its pursuit to deliver only the most superlative productions and entertainment to its valued guests from all over the world, Resorts World Manila redefines the grand entertainment culture of Philippine Theatre by showcasing internationally-acclaimed Filipino thespians in an all-Filipino stage masterpiece.

This year, theatre greats Leo Tavarro Valdez and Ms. Monique Wilson take centerstage as King Mongkut and Anna together with a roster of stellar performers, and prolific Director, Direk Freddie Santos, who shall give life to the immortal love story.

Ingenious stage designs, advanced video, sound and light technologies, the first animatronic character onstage, plus the majestic collection by Fashion icon Rajo Laurel donned by Anna and the King—These are but a few reasons why Resorts World Manila's adaptation of the King And I is absolutely an imminent theatre winner.

And to complement the thrilling adventure that is The King And I,

Resorts World Manila offers more exhilarating attractions fit for its royal guests as it redefines Philippine tourism by being the first integrated lifestyle hub in the country.

From a wide range of sumptuous fine dining restaurants, classy and relaxing hotels, a happening nightlife, plenty of exclusive amusement and entertainment attractions for the whole family, and a lot of other exciting thrills in one grand place, every minute of every hour, Resorts World Manila is truly a prime choice for those who seek the definitive excitement and relaxation that only the best of Asia can offer.

Catch this grand adventure, The King And I starting September 15, and indulge in the many other wonders that only Resorts World Manila can offer.

Tickets are now available at the Resorts World Manila BoxOffice and all TicketWorld outlets. For more information, visit www.rwmanila.com or call the Tourist/ Visitors Hotline at (632) 836-6333.

### 首席执行官致辞

为"金狮"欢呼!本期我们深入探讨了澳门美高梅一澳门最奢华的娱乐场酒店之一。你可能会惊讶地发现,美高梅的故事居然可以追溯到100多年前!我们将回顾该公司丰富的历史,并带你走进如今的澳门美高梅。

你也许还记得今年《环球博彩》5月/6月刊中有关反澳门网站「澳门娱乐场解密」的解析。大家可以翻开本期第10页查阅该事宜的最新进展。难道《环球博彩》是网站不了了之的催化剂?

在博彩前线,我们谈论了即将到来的黄金周;学习了台湾16张麻将;继续我们的牌九系列;并就越南一件有趣的博彩纠纷发表了看法,某玩家正试图为五千五百万美元"赢金"起诉胡志明市一家小型电子博彩俱乐部!

在体育方面,新的英超赛季已全面展开。我们分析了一些豪门球队的登顶机会,并建议了我们认为的高价值投注。有关英超的话题,敬请于每星期三到访我们的网站wgm8.com,查阅陆逸的上轮赛事简评及下轮赛事预览。我们不仅对伦敦奥运做了总结陈词,还筛选出了网坛有史以来的十佳男子网球球员。

转到扑克现场,我们对星际酒店扑克王俱乐部的头号人物余加荣先生(Winfred Yu)作了深入访谈;詹一帆就扑克桌上使用耳机的风潮给出了自己的见解。

熊猫来到香港并发现最好的墨西哥美味要属兰桂坊的Brickhouse餐厅;野马在澳门全新的天梵(Divino)俱乐部放纵;而飞鹰正忙着为下个行程挑选旅行包。此外我们还了解了极限运动蹦极的诞生。与往常一样,《美食向导》继续为钟爱澳门当地美味的读者指点方向。

不要忘了11月/12月刊出炉前在wgm8.com继续你的博彩大餐。

追随骁龙, 卓弈 首席执行官

### From the CEO

All hail the Golden Lion. This issue we take an in-depth look at MGM Macau, one of the most luxurious properties in our hometown. You may be surprised to learn MGM's story goes back over 100 years! We explore the company's rich history and give you a full review of the MGM Macau property.

You may remember our opinion piece on anti-Macau website "CasinoLeaks" in WGM's May/Jun issue. Turn to page 10 of this issue for an update. Was WGM the catalyst for this website fizzling out?

On the gaming front, we talk about the upcoming Golden Week, learn about 16-tile mahjong in Taiwan, continue our series on pai gow and give our point of view on a very interesting court case in Vietnam, where a slots player is trying to sue a small e-gaming club for a lazy US\$55 million!

On the sports front the new EPL season is well and truly underway and we analyze the chances of the main contenders, identifying which teams we think represent the best betting value. On the subject of EPL, please visit our website wgm8.com every Wednesday for Leanne Lu's review of the previous week's games and preview of the upcoming week's. We also pronounce our verdict on not only the London Olympics, but also on the top ten men's tennis players of all time.

On to poker. We have an in-depth long format interview with Winfred Yu, supremo of the Poker King Club at StarWorld Macau. James Potter also gives his views on the use of headphones at the poker table.

The Panda has been over to Hong Kong and discovered the best Mexican food in town is at Lan Kwai Fong's Brickhouse restaurant. The Stallion's been hanging out at Macau's new Divino ultraclub and The Eagle's been busy buying baggage. On the subject of the letter "b", we learn about the birth of bungy. As usual we have the lowdown on Macau's tastiest local treats in the Good Food Guide towards the back of the mag.

Don't forget to visit wgm8.com to get your WGM fix while you're waiting for our Nov/Dec issue to hit the streets.

Follow the dragon, Andrew W Scott CEO

### 

貔貅是我们的官方吉祥物, 也是《环球博彩》"貔貅帮" 的掌门人。

Pai Yao is our official mascot and the leader of the *World Gaming* gang.

貔貅,普通话读Pi Xiu,广东话读Pai Yao。它是龙的第二个儿子,是中国传统文化中五大瑞兽之一。它龙头,马身,麟(另一种中国神话动物)脚,形状似狮子。貔貅凶猛威武,会飞。它在天上负责巡视工作,阻止妖魔鬼怪。

因貔貅违反天法,玉皇大帝让它只吃金银财宝,借以惩罚它。玉皇大帝还封了它的肛门,阻止其排泄任何物质!因此,金银财宝只进不出。中国人将貔貅视为能招揽八方财气的祥兽。因此,许多中国人佩戴玉貔貅。赌场内常摆放貔貅雕像,意在招财聚宝。

风水家称,貔貅可镇宅驱邪,专为主人聚财掌权。因此有"一摸貔貅运程盛,再摸貔貅财运滚滚,三摸貔貅平步青云"这样的谚语。

《环球博彩》的貔貅将引导您在博彩世界里叱咤风云。我们希望它能像数世纪以来人们传说的那样,让您财运滚滚来。

His name is Pi Xiu in Mandarin, and Pai Yao in Cantonese. The ninth son of The Dragon, he is one of the five auspicious animals of traditional Chinese culture. This lion-looking animal has the head of a dragon, the body of a horse and the legs of a kylin (another animal from Chinese mythology). Pai Yao is ferocious and powerful, and can fly. He works as a security guard of Heaven, resisting demons and ghosts.

Pai Yao violated a law of heaven, so the Jade Emperor punished him by restricting his diet to gold, silver and other precious gems. The Jade Emporer also sealed the other end of Pai Yao's body, preventing anything coming out! So Pai Yao can absorb gold, but cannot expel it. Chinese people regard Pai Yao as an auspicious creature capable of drawing Cai Qi (wealth) from all directions. For this reason, many Chinese people wear jade Pai Yaos. Pai Yao statues are often seen at casinos as a way of receiving and keeping fortune.

Feng Shui experts say that Pai Yaos can protect homes, exorcise devils and raise fortune and power for their master. There is a saying: "touch a Pai Yao once and you will get good luck, twice you will get money and treasure, and the third time you will get power and position."

World Gaming's Pai Yao will guide you on your gaming and betting journey, and we hope he brings as much good fortune to you as he has to others over the centuries!

### ···以及"貔貅帮"成员 ...AND THE GANG

### 影龙 The Dragon

The Dragon is a high rolling gambler who experiences what most of us only dream of. The Dragon grew his stake over more than 20 years of gaming around the globe. The Dragon now bets amounts that give him entry to the world of luxury casino comps - hotel suites, spa packages, shopping and limousines are just the beginning. The Dragon gives us a peek into the lifestyles of the rich and famous.

### 老虎 The Tiger

The Tiger is our electronic gambling guru. The Tiger stalks around the casino floor eyeing up the machines and listening for his favourite sound - the jackpot going off. The Tiger is on the prowl bringing you everything from slot reviews to advice on electronic table games and some of the best slot promotions being offered in Macau. When it comes to electronic gaming, you can trust the Tiger.

### 飞鹰 The Eagle

The Eagle is a lawyer and entrepreneur with decades of gaming industry experience. Formerly a venture capitalist with an international investment bank, The Eagle was also employed by a Big Four accounting firm. The Eagle now runs an international tax, investment advisory and commercial litigation practice in Singapore. The Eagle happilyadmits to being a bad and undisciplined gambler.

### 野马 The Stallion

The Stallion is our resident party animal. Whether it be rocking in the moshpit or hobnobbing it with the elite of society, The Stallion has it covered. The Stallion holds an "Access All Areas" pass to the most exclusive clubs, bars, pools, lounges and parties and is among the first to be invited to any A-list event. When partying in Macau or anywhere in Asia, The Stallion is who you want as your auide.

### 熊猫 The Panda

The Panda has many years experience eating at restaurants, cafés and bars all over the world. His gastronomical adventures have taken him to Michelin three star restaurants, hidden back alley street vendors, and everything in between. A lover of food and wine from all over the world, the Panda especially delights in Asian cuisine: Chinese, Japanese, Thai and Vietnamese to name just a few.

### 》 蝴蝶 The Butterfly

The Butterfly is a girl who loves to shop! She has walked the streets of the world's fashion centres: New York, Paris, London, Milan and Hong Kong. The Butterfly needs no excuse to hit the shops and then a spa for a bit of relaxation. She always has her eye out not only for famous brand names but also lesser-known hidden gems in the world of fashion, accessories and pampering.

### // 风凰 The Phoenix

When it comes to travel no one does it better or in more style than the Phoenix. Plane, train, ship, car, trike or rickshaw the Phoenix will always find the best deal. It was no surprise that Pai Yao asked his old friend to become our resident travel expert. He'll give our readers the inside story on where to go and the best way to get there - you can trust the Phoenix.

### WCM粉碎"解密"意图?

### 反澳门"抹黑"网站「澳门娱乐场解密」 已经不了了之?是我们制止了它的继续?

杰弗里•菲德勒 Jeffrey L Fiedler

有些人也许还记得今年5月/6月刊中 我撰写的有关「澳门娱乐场解密」 的评论。如果你错过了这篇文章, 可以登录我们的网站wgm8.com,在 搜索栏输入"澳门娱乐场解密" 可找到。

> 该网站的基地及运营均在美 国。简言之,它使出浑身解数为 澳门泼上尽可能多的污水,指 出我所居住这座城市的种种 罪恶。它高谈阔论我们所 有人有多么邪恶,还假扮 成澳门博彩业专家东拉西 扯,"曝光"一切背后"龌 龊真相"。实际上「澳门 娱乐场解密」完全不是一

个解密网站,它不过 是雇佣当地律师组 合各种公共信息并 在网站上发布。它 承诺将在适当的时 候作真正解密, 并恳

请个人向它泄露有关澳门博

彩的机密信息。

我曾采访过网站的幕后人物杰 弗里•菲德勒,当时他在拉斯维加 斯。我们得知菲德勒先生已经六七年 未曾踏足澳门半步。他宣称该网站的 目的是为了保护他所代表的工会中极 少数的会员,而我在文章中揭示了我 所认为的其真正意图 - 延续他已经 发动了几十年的反华活动。

菲德勒承诺将每日更新网站内 从二月中旬推出后几乎每日都 有上传,直至6月22日突然中断。 目前已经两个多月没有听到任何声 响。所承诺的解密并未发生,也许 不过因为菲德勒所期待的海量泄密 信息没有出现而已。

究竟发生了什么? 是我们的文 章引发一系列事件导致了「澳门娱 乐场解密」的终止?是菲德勒临阵 退缩?与即将到来的美国大选是否 有关联?还是因为网站遭受冷落, 他们感到厌倦而选择了放弃?

我们通过电话和电邮联络过菲 德勒先生,试图找到解答:为何「 澳门娱乐场解密」停止发布信息? 在本文印刷前,他还未作任何回 应。我也没寄太大希望。

依我说,摆脱得好。🍇

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的所有文章。

Jeff Fiedler, while he was in Las Vegas. It transpires Mr Fiedler hasn't even set foot on Macau soil for the best part of a decade.

I interviewed the man behind the site,

gaming to it.

information? As at the time of going to press, he has not responded. I'm not holding my breath.

Good riddance if you ask me.

Visit our website www.wgm8.com to read and comment on every article ever published by World Gaming.

美高梅(MGM)也许是澳门九大娱乐场\*中规模较小的一个,但论起奢华程度及玩客忠诚度,这头"金狮"也许是咆哮声最大的一只。

历史已经表明,美高梅拥有令很多其它澳门娱乐场都艳羡不已的顾客保留率。一旦人们发现美高梅,便会义无反顾地爱上它。它时尚且温馨的室内设计彰显着奢华,为玩客营造了一个舒适惬意的环境。在谈论澳门美高梅之前,我们不禁想问,美高梅的故事从何开始?它最初与博彩毫不相干,我想很多人都对此大感意外。

### 美高梅品牌的历史

大家也许会有印象,很多电影都以一只咆哮的雄狮将头伸出一个环形标志作为开场片头。早在1917年,这头雄狮还是高德温影片公司(Goldwyn Pictures)标志的一部分,现已成为世界各地娱乐业及娱乐场业的代名词。从1907年路易•B•梅耶(Louis B Mayer)在马萨诸塞州黑弗里尔市建立宝石剧院(Gem Theatre)开始,美高梅是一个跨越了105年之久的引人入胜的故事。

米高梅(Metro-Goldwyn-Mayer,也译作美高梅)是一家传媒公司,现今专注于电影、电视的制作与发行。它于1924年在美国创建,由三间更古老的公司合并而成:米特罗影片公司(Metro Pictures)、高德温影片公司以及梅耶自己的L.B.梅耶制片公司(Louis B Mayer Pictures)。该娱乐和传媒巨头在过去88年里经历了起起伏伏,对我们今天所知的电影和电视业产生了巨大的影响。

### 向博彩业进军

这个名字如何和娱乐场联系到了一起? 1969年,米高梅电影公司转卖给了内华达州富豪科克·柯克里安(Kirk Kerkorian)。他觊觎米高梅一些主要房产已久,并且被这个近半个世纪以来与世界最耀眼的电影明星联系在一起的品牌深深吸引。尽管米高梅的传媒运作一直延续至今,柯克里安也很快将MGM这个品牌与他自己的娱乐场及物业兴趣联系在了一起。1973年,以电影为主题的美高梅娱乐场酒店在拉斯维加斯开业,位于拉斯维加斯大道和弗莱明戈路的交叉口。它设有2,084间酒店客房,成为首批"超级度假城"之一,也是当时世界上规模最大的酒店。1985年该酒店被出售并更名为Bally's,至今依然存在。

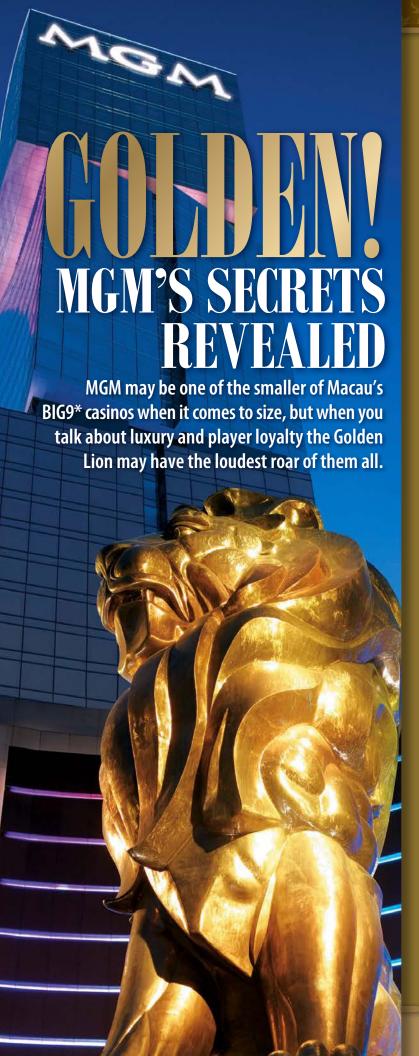

1993年柯克里安超越自己,在拉斯维加斯揭幕了如今的美高梅,同样位于拉斯维加斯大道,距离他之前的美高梅不足一英里,并且再次以电影为主题。这是一个翠绿色玻璃造型的超级度假城,是当时世界上规模最大的酒店,拥有惊人的5,005间客房。为庆祝开幕,5,005个绿色气球被释放空中,每个气球中都有一张一晚免费住宿的赠券。

拉斯维加斯美高梅可以说是有史以来最具影响力的娱乐场之一。很多年来,它被视作娱乐场的黄金标准。这里是世界拳王争霸赛的举办地点,还吸引了像Joel Robuchon、Michael Mina及Wolfgang Puck这样的世界级名厨。它是1997年风靡一时的经典电影《赌城假期》(Vegas Vocation)的拍摄地之一。甚至在开业近二十年后的今天,拉斯维加斯美高梅依然是世界第三大酒店。

### 美高梅幻影(MGM Mirage)的诞生

上世纪90年代,史蒂芬·永利(Steve Wynn)一直在打造自己的幻影王国,从拉斯维加斯的Golden Nugget开始,后来增加了The Mirage和Treasure Island等,最终打造出公司的至高荣耀一Bellagio(百乐宫)。很多拉斯维加斯常客仍将百乐宫视为赌城最好的娱乐场。然而之后永利宣布要全盘出售,令整个博彩界哗然。幸运的购买者是美高梅。美高梅幻影王国诞生,包括一系列拉斯维加斯标志性的大牌娱乐场,比如美高梅和百乐宫。之后公司将触角伸向拉斯维加斯宏大的城市中心工程,拥有4,004间豪华客房的Aria娱乐场度假酒店就位于这里,它是"拉斯维加斯最佳娱乐场"头衔的最新候选人。

<sup>&</sup>quot;九大娱乐场"是《环球博彩》词汇,指代澳门的九家一线娱乐场;新滚天地、澳门银河、新葡京、美高梅、金沙城中心、澳门金沙、星际、威尼斯人和永利。

istory has shown us MGM has a retention rate the envy of many other Macau gaming properties. Once people discover the Golden Lion they love it, coming back again and again. MGM oozes luxury with its stylishly inviting interiors and offers every amenity a player could want. But before we talk about MGM Macau and all it has to offer, where did the story of MGM begin? Many of you will be surprised to learn it has nothing to do with gaming.

### The history of the MGM name

Many movies old and new are ushered in by the majestic roar of Leo the Lion, with his head poking through MGM's iconic production logo. Originally part of the logo of Goldwyn Pictures as far back as 1917, the famous roaring lion has become synonymous with the entertainment and casino industry all over the world. The tale of MGM is a fascinating 105-year-old story dating all the way back to 1907 when Louis B Mayer opened the Gem Theater in Haverhill, Massachusetts.

Metro-Goldwyn-Mayer is a media company which today focuses on film and television production and distribution. It was founded in the US in 1924 as a result of the merger of three even older companies: Metro Pictures, Goldwyn Pictures Corporation and Mayer's own Louis B Mayer Pictures. This monolithic entertainment and media giant has had enormous highs and lows over the last 88 years and hugely influenced the movie and television industry we know today.

### The move to gaming

How did the name come to be associated with casinos? In 1969 the MGM movie studio was sold to Nevada millionaire Kirk Kerkorian, who coveted some key MGM real estate and also the glamour of the MGM name, which had been associated with the world's most famous movie stars for almost half a century. Whilst MGM's media operations continue to this day, Kerkorian also quickly attached the MGM name to his casino and property interests. In 1973 the movie-themed MGM Grand Hotel and Casino opened in Las Vegas, on the corner of the Las Vegas Strip and Flamingo Road. With 2,084 rooms it was one of the first ever "megaresorts" and the world's biggest hotel at the time. In 1985 the property was sold, re-named Bally's and still stands today.

In 1993 Kerkorian outdid himself by opening the current MGM Grand in Las Vegas, also on the Las Vegas Strip, less than a mile south of his previous MGM Grand and once again with a movie theme. A deeply emerald green-colored mega-resort, at that time it was the world's largest hotel with a stupendous 5,005 rooms. To celebrate the opening 5,005 green balloons were released, and inside each balloon was a voucher for a free night of accommodation.

MGM Grand Las Vegas could argue it has been one of the most influential casinos ever built. For many years the property was considered the gold standard for casinos. It was the venue for World Boxing title fights, and world-class chefs like Joel Robuchon, Michael Mina and Wolfgang Puck have opened restaurants there. It was one of the shooting locations for the 1997 cult classic movie *Vegas Vacation*. Even today, almost 20 years after it opened, the MGM Grand Las Vegas is the third largest hotel in the world.

### **MGM Mirage is born**

Throughout the 1990s Steve Wynn had been building his Mirage corporate empire, starting with Las Vegas' Golden Nugget, and growing to include such iconic properties as The Mirage, Treasure Island and eventually the company's crowning glory, Bellagio. Many seasoned Vegas travelers still consider Bellagio the best casino in Las Vegas. Wynn then shocked the gaming world announcing he was selling out and the lucky purchaser was MGM. The MGM Mirage corporate empire was born, encompassing a string of big name properties including the Las Vegas icons of MGM Grand and Bellagio. The company has since expanded to include Las Vegas' enormous City Center project, which is home to the luxurious 4,004-room Aria resort and casino, the latest candidate for the coveted title of "best casino in Las Vegas".

<sup>\*</sup> The BIG9 is a term coined by *World Gaming* and refers to Macau's first-tier casinos: City of Dreams, Galaxy Macau, Grand Lisboa, MGM, Sands Cotai Central, Sands Macau, StarWorld , Venetian and Wynn.

**公司走向国际化** 之后MGM开始加快其国际化进程,向关键的 之后MGM开始加快共国际化进程,问天键的新市场进军,将新的非博彩物业添加到自己的履历中。亚洲成为此番扩张的中心,而当你说起亚洲,中国自然是核心。澳门的美高梅之外,北京、重庆、成都、杭州、三亚和天津也有MGM品牌的物业,上海甚至还有Bellagio by MGM。在品牌信心方面MGM迈出了巨大一步。在非博彩酒店和度假村上使用与博彩有渊源的名字(比加百乐宣和美高 与博彩有渊源的名字(比如百乐宫和美高梅)是一项聪明的举措。目前在阿布扎比、迪拜、埃及、印度和越南还有MGM正在兴建或 规划中的新项目。

进一步强调了它的国际和物业焦点。如今该公司是一个全球博彩、物业和度假品牌,每年近百亿美元的收入令其成为世界第二大博

澳门美高梅 中国玩客喜欢熟悉感和一个可以信任的国际品牌,而MGM作为一家经久不衰、实力雄厚的公司为玩客提供了可靠的产品。澳门美高梅成功的很大一部分原因在于MGM这个名字在中国市场上的巧妙推出。作为何超琼和美国MGM的合资企业,澳门版"金狮"是东西方结合的经典范例,事实也证明了它的巨大成功。它将历史悠久、值得信赖以及国际实力强大的MGM品牌与澳门当地最具影响力的博彩和旅游专业人士之一结合在了一起。

游专业人士之一结合在了一起。 美高梅矗立于澳门半岛博彩区的正中心,占据了半岛最南边临水的绝佳地盘。大 楼设计最大限度地利用了它面朝中国南海以及与凼仔隔海相望的地理位置。

到访澳门时很难会错过美高梅,它是澳门天际线中最引人瞩目和令人难忘的建筑之一。你可能会误以为大楼颜色由金银铜三色组成,然而三层颜色其实是三种不同的金 色: 最底层是玫瑰金, 而中间是白金。美高

梅因其与"金"字的密切关联以及一流的建筑和内部设计而深感自豪。相对于隔水相望的路凼超大型娱乐场来说,很多澳门访客更偏爱极具亲和力的澳门半岛娱乐场 一 超级度假城并非每位玩家更青睐的博彩氛围。与中国内地边境以及港澳客运码头临近是澳门半岛娱乐场相对于路凼娱乐场的另一项优势。澳门美高梅金殿的官方开幕日期是2007年12月18日,这点令人大为吃惊,它存在的时间似乎远久于此。随着MGM在美国同步进行的品牌重塑,澳门美高梅金殿于2010年更名为澳门美高梅。2011年4月18日宣布首次公开墓形(IPO),

梅。2011年4月18日宣布首次公开募股(IPO),一家新的公司美高梅中国控股有限公司诞生,并在香港股市募集了15亿美元,是市场对此品 牌信心的有力证明。

美高梅拥有两个截然不同的大堂。正门大堂更为 喧嚷,这里陈设了知名美国玻璃艺术家植皓礼(Dale Chihuly)两件叹为观止的艺术品。名为 「Fiori Di Paradiso Ceiling」的鲜红玻璃吊顶长 17米,宽9米,装点在正门大堂的天花板中央。 酒店前台以「Fiori Di Paradiso Drawing Wall」 为巨型背景,由42块各不相同的玻璃屏面拼合

### The company goes global

MGM then got busy with the globalization of its business, moving towards important new markets and adding non-gaming properties to its portfolio. Asia has been at the heart of this expansion and when you talk about Asia you always look to China. As well as the MGM property in Macau, there are MGM branded properties in Beijing, Chongqing, Chengdu, Hangzhou, Sanya and Tianjin. There's even a "Bellagio by MGM" property in Shanghai. This has been a huge step from a brand confidence perspective. Using historically gaming-related names like Bellagio and MGM in non-gaming hotels and resorts is a smart move and there are already MGM developments either under construction or planned for Abu Dhabi, Dubai, Egypt, India and Vietnam.

In 2010, MGM Mirage changed its name to MGM Resorts International, further underlining its global and property focus. Today the company is a global gaming, property and resort brand and its revenue of nearly US\$10 billion annually makes it the second largest gaming company in the world.

### **MGM Macau**

Chinese players love familiarity and a global brand they can trust. MGM offers a reliable product from a strong company with rich history. A large part of MGM Macau's success comes from the way the MGM name has been expertly managed for a Chinese market. Launched as a joint venture between Pansy Ho and The United States-based MGM, the Macau version of the Golden Lion is a classic example of East meets West and the result has been nothing short of amazingly successful. It combines the international prowess of the longestablished and trusted MGM brand with the local "know-how" of one of Macau's most influential gaming and tourism executives.

MGM is in the absolute heart of the Macau peninsular gaming precinct, located in prime waterfront position at the very southern edge of the peninsular. The building is designed to take maximum advantage of its position facing south towards the South China Sea and across the water to Taipa.

When visiting Macau it's hard to miss MGM. The building is one of the most striking and impressive on the Macau skyline. You could be

mistaken for thinking the building's color scheme represents gold, silver and bronze, but the three "layers" of the MGM building actually comprise three different shades of gold. The bottom level is rose gold and the middle section is white gold. MGM is proud of its association with gold and its state-of-the-art architecture and interiors. Many visitors to Macau prefer the more intimate feel of the Macau peninsular casinos to their larger counterparts across the water in Cotai – mega-resorts are not every player's preferred gaming setting. Proximity to the mainland China border gate and the Hong Kong ferry terminal is another edge the Macau peninsular casinos have over their Cotai-based cousins.

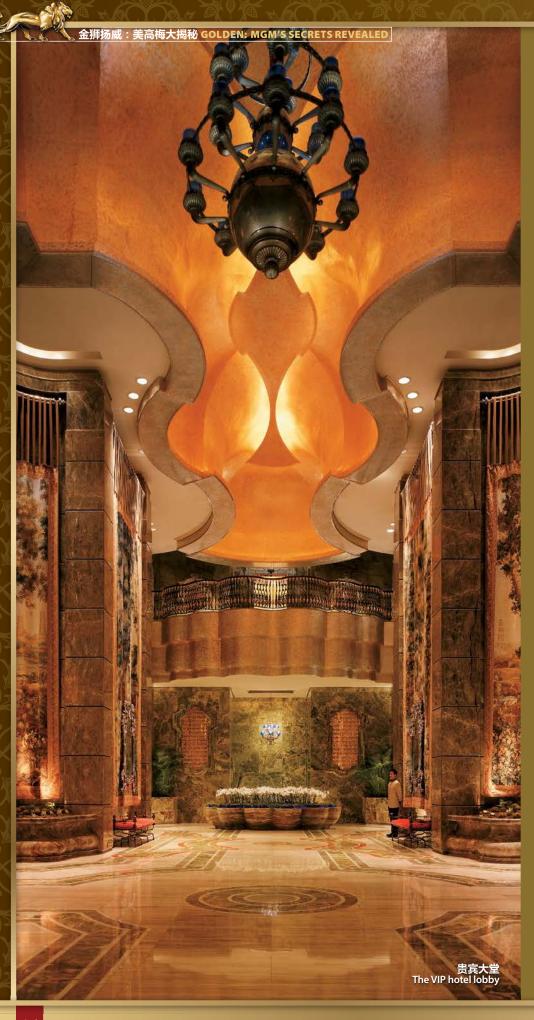

美高梅正门大堂与壹号广场之间的 走廊侧面陈列着植皓礼的玻璃艺术品 The corridor between MGM's main lobby and One Central is flanked by glass artworks by Dale Chihuly

It is astounding to think that MGM Grand Macau only officially opened its doors on 18 December 2007. It seems to have been around a lot longer than that. MGM Grand Macau was renamed MGM Macau in 2010, following the rebranding push of MGM in the US at the same time. On 18 April 2011 an initial public offering was announced and as a result a new company, MGM China Holdings Ltd, was born. Testament to the market's confidence in the brand, the new company raised US\$1.5 billion from its IPO on the Hong Kong Stock Exchange.

### **Lobbies and Grand Praça**

MGM has two distinctly different lobbies. The main lobby has more hustle and bustle and features two pieces of breathtaking artwork by renowned American artist Dale Chihuly. The striking red "Fiori Di Paradiso Ceiling" glass installation measures 17 meters long by 9 meters wide and adorns the center of the main lobby's ceiling. The "Fiori Di Paradiso Drawing Wall" behind the main reception desk is made up of 42 different glass panels, and measures 17 meters long by 5 meters high.

The VIP lobby has marble floors, walls and bench tops and exudes luxury, wealth and fortune. Quiet and relaxed, the lobby décor is influenced by Pansy Ho herself. Ms Ho is renowned for her love and appreciation of art, and the VIP lobby boasts a ceiling of real gold leaf, all attached by hand.

贵宾大堂采用大理石地板、墙面和台面,尽显尊贵与豪华。在向来以热爱艺术出名的何超琼女士影响下,大堂的装潢恬静且舒适,天花板覆盖了一层手工粘贴的金箔。

### 住宿

澳门美高梅的住宿选择繁多。582 间客房分三种等级:从豪华客房, 到可以饱览无敌海景的豪华套房, 再到贵宾专属的别墅式套房。这里 还有一个设备齐全的商务中心,不 过希望你在美高梅休闲度假时可以 将工作抛在一边。

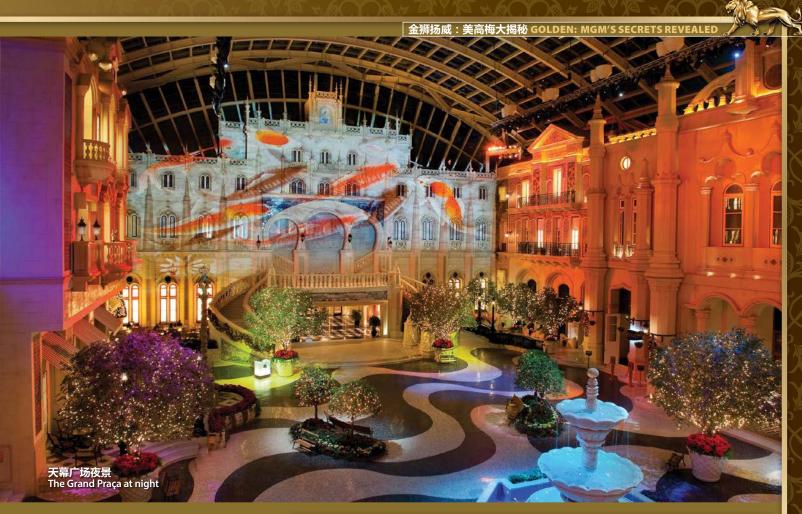

套房和别墅均有一卧和两卧版本,特设专用电梯。别墅设有厨房、浴缸和淋浴、最精致的床上用品,甚至还有专门的卡拉OK室!上等木材、精致皮革及大理石浴室都是高品质的鉴证。骁龙多年来经常光顾,澳门美高梅正是他所期望的名副其实的豪华住宿。

### 赌台游戏

很明显任何娱乐场最重要的特征 之一是博彩厅。美高梅的管理层明 白无论他们的款待如何到位,玩 客都需要专业、亲和及便利的博彩 体验。

美高梅将贵宾和豪客照顾得无 微不至,为会员设立了两个贵宾 会:至尊会和尊贵会。这些私人博 彩俱乐部实际上是"娱乐场中的娱 乐场",只有有资格的玩客才有机 会享用。两个贵宾会营建了既奢华 又温馨的氛围,为那些不想被主博 彩厅的快节奏干扰的客人提供了最 佳博彩体验。

为配合澳门博彩业,中场的主要游戏自然是百家乐,但也有相当数目的二十一点牌桌以及其它受欢迎的游戏,比如骰宝、加勒比梭哈、轮盘、富贵三宝、花旗骰、三公百家乐及娱乐场之战等。

After passing through either of the lobbies guests can proceed to the Grand Praça: an impressive open area of 1,088 square meters which brings the outside, inside, by the use of an all-glass ceiling suspended 25 metres above the floor. The Grand Praça showcases European-inspired architecture and various artworks. Often utilized by MGM for special events and exhibitions, the Grand Praça is a spectacular achievement of design where you can feel the sun without being blown away by the wind, or stand out in the rain without getting wet. The north end of the Grand Praça has an amazing façade modeled on Lisbon's central train station.

### Accommodation

MGM Macau has a wide range of accommodation options. There are 582 rooms in three tiers starting with the Grand rooms, working up to stunning suites with ocean views and then on to the villas for the serious VIP. There is also a fully equipped business center, but hopefully you won't need to do any work while enjoying the property.

The suites and villas come in one and two bedroom versions, complete with their own lifts. The villas feature kitchenettes, bath and rain showers, the finest linen and even their own karaoke rooms! They have been finished off using rich timbers, fine leather and marble bathrooms. The Dragon has been a regular here for years and this is truly the kind of luxury accommodation he has come to expect.

### **Table games**

Obviously one of the most important features of any casino is its gaming floor. The management of MGM understands that no matter how good their hospitality is, patrons require their gaming experience to be professional, inviting and accessible.

MGM takes very good care of their VIPs and high rollers, boasting two premium lounges for members: the Supreme Lounge and the Platinum Lounge. Essentially "casinos within a casino", they are private gaming clubs for those who qualify.

These two lounges offer opulence, a homey feel and the very best in gaming experiences for those who don't want to be disturbed by the faster pace of the main gaming floor.

Of course in keeping with the wider Macau gaming industry the main game you will find on the floor is baccarat, but there is also a very healthy spread of blackjack tables and other gaming favorites such as sic bo, Caribbean stud poker, roulette, fortune 3 card poker, craps, 3-card baccarat and casino war.

美高梅还致力于为玩客提供最新的博 彩产品,电子博彩就是一个重要部分。WGM 的好友及澳门当地成功范例LT Game新近为 美高梅安装了他们著名的真人荷官电子百 家乐游戏之一。我们曾在以往期刊中刊登 过有关这些直播游戏的文章,它们在澳门 极为盛行。美高梅为玩客们提供了50台终 端机,没有理由否认这是"金狮"的又一 项杰作。

美高梅还设有炙手可热的花旗骰台。 浓烈的氛围对这个游戏至关重要,没有比 美高梅提供的花旗骰更有趣的了。有几个 晚上WGM的飞鹰不断投掷成功,围观客人都 对他眷恋不已。

事实证明角子机在澳门是一项巨型产业, 目前是仅次于百家乐的第二大博彩选择。 澳门美高梅意识到,很多顾客都享受通过 玩角子机(尤其是有积宝奖金的角子机) 将小笔投资变成巨额回报的乐趣。这里设 有1,240台角子机,积宝奖金平均每月高达约三亿五千八百万港币,平均每月诞生43位角子机百万富翁。目前为止最大积宝奖 金于今年7月31日在「发发发」上产生,高 达一千零六十万港币。

过去四个月里,美高梅证实了自己的 澳门角子机之家的地位,目前是澳门角子 机营业额最高的娱乐场,甚至令不断搜寻 大型角子机积宝游戏的WGM电子博彩大师老 虎都感慨不已。

会员卡在澳门正日益流行。加入会员俱 乐部是明智的做法, 可以享受娱乐场的 各式回馈。

金狮会有四种层次的会员卡: 金狮卡 (金)、尊显卡(红)、尊贵卡(银)以及至 尊卡(黑)。确保注册为会员,享受其花 样繁多的回馈内容,比如特惠餐饮、住宿 和旅费等。

有拉斯维加斯作范例,澳门也已看到会展 市场的重要性。美高梅有足够的空间来迎 合会展需要,从12人的董事会会议到800人 的鸡尾酒会。

美高梅是商务会议、社交活动、婚礼 或派对的理想地点,拥有自己的会展团队 来提供专业服务,协助活动的顺利进行。

美高梅有三个主要空间可供会展使用:

- 大宴会厅: 24乘33米的面积, 可任意隔成 三个空间举办不同规模的活动。
- 多功能厅: 含三个小型房间, 可作多种布 局,容纳百人。
- 维天阁: 泳池边的户外场所, 最适合在天 气好时举办派对。

E-gaming is also an important part of MGM's commitment to providing the latest gaming products to their clientele. WGM's good friends and local Macau success story, LT Game, have just provided MGM with one of their famous live dealer stadium-style baccarat installations. We've featured these live dealer games before in WGM, and they are hugely popular in Macau. With 50 terminals available to players, there is no reason to think the MGM installation will be anything other than a roaring success.

MGM also has one of the hottest craps games going in Macau. Craps is a game that needs atmosphere and there is none better than the game on offer at MGM. There have been a few nights where WGM's The Eagle has thrown a few long runs and has had the crowd cheering for more.

### Slots

Slot machines are proving to be a huge industry in Macau and are now the clear number two gaming choice after baccarat. MGM Macau realizes many of their customers enjoy the opportunity to turn a small investment into a huge windfall by playing slot machines, especially those with huge jackpots. MGM Macau boasts 1,240 slot machines that average around HK\$358 million in jackpots and create 43 slot millionaires each month. The biggest jackpot win so far is a FaFaFa jackpot which went off on July 31 this year for a whopping HK\$10.6 million payday.

Over the last four months MGM has proved to be Macau's home of slots and right now is the number one property in Macau for slot turnover, which even impresses WGM's electronic gaming guru, The Tiger, who is always on the hunt for a big slot jackpot.

### **Golden Lion Club**

Player cards are becoming more popular in Macau. It makes sense to join players clubs, as they allow the casino to reward you for your playing time.

The Golden Lion Club has four levels of membership: Golden, Elite, Platinum and Supreme. Make sure you take the time to register and you will find yourself rewarded with a wide range of benefits like discounted food and beverage, and free accommodation and travel, to name just a few.

### **Convention space**

Following Las Vegas' lead, Macau has come to understand the importance of attracting the corporate event market. MGM has plenty of space and caters for events ranging from a boardroom meeting for 12 to a cocktail function for 800.

An ideal venue for business meetings, social events, weddings or parties, MGM has its own catering and event planning team to provide expert information and help to ensure everything goes off without a hitch.

There are three major spaces that can be used:

- The Grand Ballroom: measuring 24 by 33 meters, it can be split into thirds to cater for events of various sizes.
- The Salons: consisting of three smaller rooms that can be arranged into various configurations for up to 100 people.
- The Vista: an outdoor venue by the pool deck that is excellent for parties during good weather.

### **餐饮和酒吧**

美高梅有一系列餐饮和酒吧选择(从一 碗热汤面到正宗极品粤菜)。

- 宝雅座: 当代、地道的法式佳肴
- 金殿堂:精致广式美味,尤其受当地 人欢迎,有六个私人包厢 盛事:以自助餐和开放式厨房出名
- 食・八方: 休闲港式餐厅
- MGM咖啡饼店:最适合简单的午餐 或与朋友享用下午茶,有美味的面包 糕点及缤纷的糖果和巧克力
- ABA Bar: 时尚雅致的酒吧,还有全 白装潢的"鱼子屋",享用伏特加的
- 长方形餐桌。用餐时沉醉在葡萄佳酿 的全方位包围中。酒窖温度偏低,身 着高雅鸡尾酒洋装的女士们恐怕要贴 紧自己的男伴了!
- 金狮吧:最近经历了一次大换颜,是 澳门激情澎湃的现场音乐胜地。你可 以坐在吧台、大跳热舞或预定私人桌 享受整瓶服务,与好友畅饮。别忘了 留意一下野马及WGM其他成员,他们 喜欢不时溜进这里,尤其在活动或派 对后。

美高梅不仅有一系列亚洲名厨,还 向全球网罗最一流的西方餐饮。奥地利

熊猫常被撞见摸着肚皮穿梭在这 里的众多选择中。他尤其喜欢周日到 宝雅座享用早午餐,缓解周六晚上的 宿醉。

如果你对天堂的理解是一栋面积20万平方 英尺、汇集众多精品和奢侈品品牌的大楼, 那么就直奔紧贴美高梅的壹号广场好了。

美高梅还有澳门植皓礼艺术馆,是世 界闻名的艺术家植皓礼设在亚洲的首间艺 术馆。如果你迷恋画作、玻璃雕塑和印刷精 品,那么一定会在这里流连忘返。WGM的蝴 蝶在MGM购物期间曾刷光不少信用卡。

### **Dining and bars**

There are a wide variety of dining and bar options at MGM ranging from a quick bowl of noodles to formal Cantonese cuisine.

- Aux Beau Arts: contemporary yet authentic Parisian brasserie.
- Imperial Court: serves the finest Cantonese cuisine, a particular favorite with Macau locals and home of six private dining rooms.
- Rossio: famous for its buffet and open kitchen.
- **Square 8:** casual Hong Kong style café. **MGM Patisserie:** perfect for a simple and light lunch or to meet for afternoon tea, the patisserie has a fantastic selection of pastries, cakes, breads and chocolates.
- ABA Bar: stylish and elegant bar that also houses the specialist all-white-décored "Russian Room", a perfect place to enjoy your vodka.
- ABA private dining room: a single rectangular table for 12 sits in a spectacular setting in the wine cellar, where you can dine surrounded by wine on all sides and on two floors. The ladies in their elegant cocktail dresses may need to stay close to their gentleman partners, as the wine cellar is kept suitably chilled!
- Lion's Bar: benefitting from a recent face-lift, this is Macau's home of live music. You can sit at the bar, burn it up on the dance floor or secure yourself a private booth to party it up with bottle service and some friends. Look for The Stallion and the rest of the WGM gang who like to sneak in for a few bottles now and then, especially after a function or party.

As well as being home to a long list of renowned Asian chefs, MGM has searched the globe to offer its patrons the very best in Western food. Austrian Pastry Chef Günther Wolfsgruber is considered one of Asia's masters, and has worked in more than 10 countries. American Chef Chad Ryan Ogden and Lebanese born Chef Elie Khalife have also added their unique flair to the numerous culinary delights on offer.

Be on the look out for The Panda, who is often seen rubbing his tummy at many of the dining options on offer. He apparently likes to brunch at Aux Beau Arts on a Sunday after a big night out on the town.

**Shopping**If a 200,000 square foot complex featuring the finest luxury brands is your idea of heaven then you will feel right at home at One Central, which is seamlessly connected to MGM Macau.

MGM also features the Chihuly Gallery Macau, which is the first signature gallery featuring Dale Chihuly's work in Asia. If you are a lover of drawings, glass art and prints you will enjoy the fine collection from this worldrenowned artist. WGM's The Butterfly has burnt through more than a few credit cards filling up her shopping bags at MGM.

**Six Senses水疗中心** Six Senses水疗中心位于美高梅三楼,是澳门知名度最高 的休闲去处之一,获福布斯旅游指南之「四星水疗奖」。 它为所有寻求恬静与畅怀的客人提供了理疗和宠爱套装。 这里琳琅满目的设施和服务无法在本文有限的篇幅中尽 言,绝对值得花费专门笔墨作详细介绍,敬请在WGM的未来 期刊中留意。

"金狮"是澳门博彩 业皇冠上一颗璀璨的瑰 宝。它有一群忠实的追随 者,如此一来也为预订酒 店增加了难度, 尤其在周 末。建议提早计划行程, 以充分享受MGM的设施。

《环球博彩》掌握了不久 将来美高梅的一些新动 向,因此不要错过我们的 未来期刊,当然还有我们 的网站wgm8.com。你也许 会发现一些为WGM读者准 备的意外惊喜!

访问我们的网站www.wgm8.com查阅并评论 《环球博彩》刊登的所有文章。

### Six Senses Spa

Located on the third floor, Six Senses Spa is one of Macau's most respected retreats. This highly acclaimed spa has achieved Four Star awards from Forbes Travel Guide. Six Senses offers healing therapies and pampering packages catering to all patrons looking to relax and rejuvenate. There is a range of facilities and offerings so wide that we can't do it justice in the space this article provides. Six Senses Spa is really worthy of an article all on its own, so keep an eye out for that in a future issue of WGM.

The Golden Lion is a jewel in the crown of the Macau gaming industry. MGM Macau has such a loyal following it can be hard to get a room at the property, especially on weekends. Arrange your trip well in advance and enjoy all that MGM has to offer. World Gaming magazine has the inside mail on what's coming up at MGM in the near future so keep an eye on our upcoming issues and of course our website wgm8.com. You might just find something special for WGM readers!

Visit our website www.wgm8.com to read and comment on every article ever published by World Gaming.

The management and staff of World Gaming Magazine Ltd offers our heartfelt congratulations on the occasion of the

63rd anniversary of the founding of the PEOPLE'S REPUBLIC OF CHINA

# 伦敦2012:

# 总结炼顽

# LONDON 2012: THE VERDICT

The four-yearly Olympic circus rolled into London for 16 days of sporting glory, *WGM* takes a look at the highs and lows of this world-class sporting spectacle.

Il in all London did a good job with the Olympics. Sure they had the worst looking mascots of all-time history, but everything else seemed to go off without a hitch. Here's a recap of what we will remember about London 2012.

- Bookies were thrown into a state of panic over a group of unknown kids lighting the flame and had to refund all bets. This was a break with tradition and while the kids may have enjoyed it we would rather have had someone more memorable kicking off the action.
- Michael Phelps proved he is the greatest swimmer and Olympian of all time, amassing 18 career gold medals. Phelps is a great sporting personality and will be missed in a sport not renowned for being all that exciting.
- Usain Bolt was foxing in the lead-up to the Games with some slightly lackluster pre-Olympic performances to lull rivals into a false sense of security. Bolt was

never going to be beaten and is the greatest sprinter ever. Carl Lewis is kidding himself if he thinks otherwise.

- Team Great Britain had an amazing Games. In addition to hosting a successful Olympics, their sporting performance surpassed their wildest dreams. It's the first thing the country has had to celebrate since the end of the Second World War.
- The Australian Olympic Committee president John Coates is not exactly our favorite individual at present. The Australian team was as unimpressive as the British were impressive. "Lord of the Rings" Coates has been upbeat in his goal-setting for Rio de Janeiro 2016 targeting a top five finish the same target he gave going into London where Australia finished 10th. Until the athletes from "Down Under" stop celebrating failure they will continue to be a "once great" sporting nation.

美国和中国总成绩的较量是令我们坚持到奥运最后的动力。尽管中国被美国超越,却证明了自己竞争世界第一体育大国头衔的实力。尤其引人瞩目的是中国总奖牌数88枚(38金、27银和23铜)只比美国少16枚。美国代表团共539名运动员参加25个项目,而中国只派出396名参与23项赛事。

此外还有很多值得一提的亮点和暗点,我想对于精彩与失望每个人都有不同的见解。老实说,我们很高兴可以回到真正的职业体育世界。下一站2016里约再会,幸好我们有四年时间来恢复对奥运的激情。

• The battle between the US and China for overall honors kept us on our seats right to the end of the Games. While the Chinese were just pipped by the US, China has proved she is up there as a contender for the title of world's greatest sporting nation. What is particularly impressive is China's medal tally of 88 (38 gold, 27 silver and 23 bronze) was just 16 behind the US, who sent 539 athletes to compete in 25 sports, compared to China's 396 athletes who competed in 23 sports.

There were many more highlights and lowlights and we're sure everyone has their own opinions on what was great and what disappointed. To be truthful we'll be happy to get back to the world of professional sport. Next stop Rio, thankfully we have four years to recover so we'll be just as enthusiastic about the Olympic sporting spectacle in 2016.

### 生活 LIFESTYLE

黄金周的传统意义在于 与亲友相聚,不过很多 中国人也开始利用这个 时机出门旅行,而澳门 正是热门目的地之一!

国庆黄金周(每年十月一日开始) 是中国内地第二大假期, 仅次于春节。 过去十年间不断出现有关公共假日及其 对中国经济的意义和影响的争论。然 而,国庆黄金周的地位似乎坚不可摧。

在这个黄金周期间,一亿以上的中 国人会出游。有些去拜访居住在其它城 市或郊区的亲友,不过很多也会涌进像 澳门这样的度假胜地。

去年国庆黄金周,澳门博彩激增 40%。酒店爆满,娱乐场大厅摩肩接 踵。如果你准备在十月第一个星期去澳 门,建议提早预订行程,才可确保有下 榻之处。

原因很简单,需求大于供给。澳门 约有25,000间酒店客房,平均每天接待约 80,000访客。周末寻找住宿的人数超出了 酒店房间数目,黄金周期间需求就更大。 澳门常客一般都会提前预订酒店。

中国的春节和国庆是澳门最繁忙的时 期。如果你计划在此期间访澳,最好做足 功课。一旦敲定出行计划便立即预订。你 会发现酒店的选择在高峰期迅速减少, 而 且越早预订价格越优。

酒店预订只是其一, 交通也更困难。 巴士、渡轮和飞机都会很快订满。拖延到 最后很可能要付大价钱, 如果还有位置剩 余的话。此外还要提醒边境通关有可能排 起长龙, 渡轮码头也是如此。

做一个聪明的旅行家,才能避免令 人恼火的因素,令黄金周的澳门之旅成 为一次愉悦的体验。 5.5%

on October 1) is the second most significant holiday period for mainland China, eclipsed only by Chinese New Year. During the last ten years there has been debate over public holidays and their significance and impact on the Chinese economy. However, the October National Day Golden Week appears to be here to stay.

Well over 100 million Chinese travel during this Golden Week period. Many travel to meet relatives living in other cities or the countryside but many flock to popular holiday destinations such as Macau.

Macau gaming surged by a massive 40 percent last year with the casino floors packed with punters and hotel rooms all fully booked. If you are planning to head over during the first week of October it is advisable to plan ahead and book your trip well in advance, so that you can secure somewhere to stay.

It's a simple matter of demand exceeding supply - Macau has around 25,000 hotel rooms and services around 80,000 visitors on an average day. During the weekends the number of people looking for rooms outweighs the number of rooms and during Golden are used to booking in advance when looking for a bed for the night.

Chinese New Year and the National Day Golden Week are Macau's busiest times and if you are planning on traveling here during this time you had better be prepared. Do your homework and look for accommodation as soon as your plans are set. You will find the range on offer diminishes quickly during busy times. You will also find you get a better deal the earlier you book.

Not only do you have to be mindful of booking accommodation you will also find that getting to Macau will be more problematic. Buses, ferries and flights tend to book up quickly and if you wait till the last minute you will end up paying top dollar, if you can find a seat at all. Also be aware the queues at immigration at the border gate and the ferry terminals can be very long.

So be a smart traveler and you will find that your Golden Week trip to Macau is an enjoyable experience and not one that you find frustrating.

作者:卓弈 by Andrew W Scott

星际娱乐场的扑克王俱乐部日益壮大。扑克王与得以复苏的亚洲扑克巡回赛(APT)的关系稳固,据说还要在澳门及亚洲设立更多扑克王品牌的扑克室。扑克王俱乐部由皇者顾问有限公司(King's Consulting)运作。我们的首席执行官卓弈与皇者顾问总裁余加荣(Winfred Yu)在星际娱乐场坐下来讨论了扑克王俱乐部、亚洲扑克业现状以及余先生最近在APT澳门站主赛事上的亚军成绩。

**卓奔**: 扑克王2009年开幕,通过电影《扑克王》而被中国扑克玩家熱知。过去三年里,扑克王作了哪些改变?

余加菜;首先,很荣幸可以在《环球博彩》中谈及扑克王。我们在星际差不多三年了,运作模式是贵宾会与扑克相结合。我们是澳门首间这种扑克室,甚至很可能是全球首间。我们现在有逾九千名会员,每周有四到五个晚上都会组织全球最高投注额的现金游戏,称作the Big Game。

我们的俱乐部位于星际酒店三楼,并不在主博彩厅,因此需要开展更大规模的市场推广来吸引顾客。我们的成长是积极的,很多低注额玩家越来越放心地转移到高注额游戏中。他们很喜欢我们的环境,比如我们有为玩家兑换筹码的服务生以及一个奖励计划,玩家可以收到礼品、酒店住宿及船票等。我认为这种回馈玩家的模式帮助我们发掘到了更多业务。

**草**: 恭喜您在八月的APT澳门站主赛事中获得第二名。人们常说,锦标赛中除了冠军,其他选手都是失望的。这些年来我取得了不少第二名,太同意这种说法了! 在任何比赛中以第二名收场都是令人痛惜的,但痛惜感消退后再回过头去看,亚军显然也是了不起的成就。讲讲您在比赛中的感受吧。

余: 这场比赛中,我们派出了一支11人的团队。两位选手打进钱圈,两位非常接近钱圈。你应该最清楚,第二名的确令人痛心! [笑]第一天进行得较为平淡,我没有什么疯狂举动。结束时,我的筹码额排在第十。第二日起始筹码为54,000,很快跃升至90,000,但之后就没有什么牌运了。第三日我翻倍了一笔小筹码,并开始树在。决战桌开始时,我的筹码额排在第二,仅次于朱跃奇(Richard Zhu)。我们曾经[在拉斯维加斯举行的2010年世界扑克团体锦标赛中]同属中国队成员。

决战桌上强手云集,风格各异。最后的冠军Carlos[Chang]是一位年轻的进攻型选手,非常棘手。他将各种打法混合到位。有一两手牌我没有做到最好。在一手三人牌局中,我认为打得很糟糕,导致单斗阶段我的筹码相当紧张。另一项因素是压力,我感觉好像是主场作战,所有的员工、客户及朋友都在观看。不过整体来讲,我认为这是目前为止我发挥最好的锦标赛之一。这场比赛中没有太多国际大牌标

选手,但我看到很多来自日本及亚洲各地 的新面孔非常重视比赛。

**草:**AJ Brock现己被任命为扑克王的首席 运营官。AJ无疑是永利扑克室成功的背后 推动力。您如何吸引到AJ加盟?他将在扑 克王发挥怎样的作用?

余: 我十分高兴AJ能够到扑克王担任首席运营官。我和AJ是三年半的朋友了,在扑克王 开业前就已开始。我目睹了他带领澳门永利 扑克走向成熟,发展为一个非常成功的扑克 室。他来自拉斯维加斯,对这个游戏十分熟 识,并且绝不是那种每天完成八小时轮班的 扑克室经理。他一门心思在扑克上,希望能 在亚洲将扑克推向新的高度。AJ与永利的合 同于3月底期满,因此我们捡他来磨砺这里 的员工,并修补我们这些年来工作中的几个 漏洞。他的作用不仅是确保运作畅顺,还将 参与我们亚洲扩张计划的业务发展。

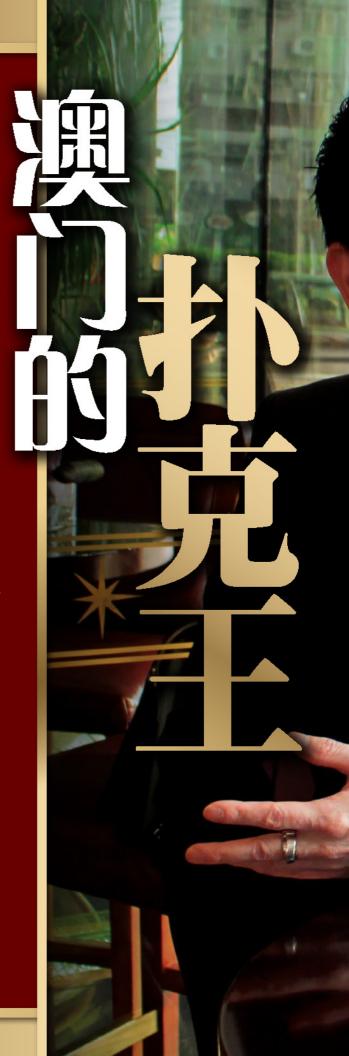

**草**: 我们听说扑克王准备在马尼拉名胜世 界开设一个新的扑克室。可以透露一些这 方面的信息吗?

余:与马尼拉名胜世界达成了口头协议,工作仍在进行中。我们一直都支持他们的比赛和推广,因为我们与当地的APT关系良好,这要多谢APT的Jeff Marm和Tom Hall。

经常光顾扑克王的一位贵宾玩客Richard Yong在马尼拉名胜世界有一个贵宾会。你也知道,Richard在世界扑克锦标赛(WSOP)的One Drop比赛中获第八名。他不仅对于成为比赛赢家充满激情,还热衷于推动扑克的发展。我们协助马尼拉名胜世界举办了马尼拉百万大赛。我与Richard将澳门的贵宾玩家带到那里。他们意识到原来有很多中国大玩家对锦标赛感兴趣,并且乐意旅行到像马尼拉名胜世界这样的地点。

其实我们并不是在那里设扑克室,确切说,应该是他们在扑克室给我们划出一个贵宾区,设两张扑克桌。那里仍会有普通扑克室,由马尼拉名胜世界运作。

贵宾区的这两张扑克桌将开展高注额游戏,以扑克王冠名,APT为赞助商。该贵宾区用来迎合中国、香港及澳门的玩家,使用较为熟悉的港币,而不是菲律宾比索,这样他们不会在兑换上有所损失。玩家还能在菲律宾使用星际的积分奖励获得酒店住宿等。

The Poker King Club at StarWorld casino seems to go from strength to strength. The Club's relationship with the resurgent Asian Poker Tour (APT) is strong, and there's talk of more Poker King branded rooms in Macau and across Asia. The Poker King Club is managed by King's Consulting, whose President is Winfred Yu. Our CEO Andrew W Scott sat down with Winfred at StarWorld casino to discuss Poker King, the Asian poker scene and Winfred's recent runner-up finish in the Asian Poker Tour Macau main event.

**Andrew W Scott:** Poker King has been open since 2009 and was famously introduced to Chinese poker players through the Poker King movie. What changes has Poker King seen over the last three years?

**Winfred Yu:** First of all I'd like to say it is a great honor for *World Gaming* magazine to be talking about Poker King. We have been here at StarWorld for almost three years, and our business model is that of a VIP junket room combined with poker. We are the first room like that in Macau and we're probably the first in the world. We now have more than 9,000 members and we hold the highest stakes cash game in the world, the Big Game, which runs four to five nights a week.

We are on the 3rd floor of StarWorld, not on the mass gaming floor, so we have had to conduct many marketing promotions to bring people here. Our growth is positive and we've seen a lot of smaller game players getting comfortable with moving up in stakes. The players like our environment here: we have chip runners, a reward program where they can receive gifts, hotel rooms, ferry tickets and so on. I think this model of giving a lot of things to the players has helped generate more business.

AWS: Congratulations on coming second in the APT Macau main event held in August. It is often said that every player in a tournament other than the winner is disappointed. With the many second places I've achieved over the years, I couldn't agree more! Coming second in any tournament is very painful, but after that pain subsides you look back and obviously it is a fantastic achievement. Tell us a little about your emotions along the journey of the tournament.

WY: We put a team of 11 players in this event. Two cashed and two came very close to cashing. Definitely coming second is painful, as you well know! [laughs] Day 1 played normally, I didn't do anything crazy and I ended tenth in chips. My day 2 starting stack of 54,000 chips jumped to 90,000 quickly, but then I went card dead the rest of the day. Day 3 I doubled up my short stack and from then on I was confident. I started the final table second right behind Richard Zhu who was my teammate in Team China [in the 2010 World Team Poker Championship in Las Vegas].

The final table was tough with a mixture of players and of course the winner Carlos [Chang] is a young, aggressive and pretty tricky player, he mixed up his game very well. A couple of hands I didn't play my best, I think I played pretty bad in one three-handed situation and as a result ended up playing the heads-up very short. Another factor was the pressure on me, because it was like I was the home team. All my staff were watching along with customers and friends. But overall, I feel I played one of my best poker tournaments

so far. We didn't have too many international big names in this tournament, but I saw a lot of new faces from Japan and across Asia taking the tournament very seriously.

**AWS:** AJ Brock has now been appointed COO of Poker King. AJ was of course the driving force behind the success of the Wynn poker room. How were you able to get AJ to jump ship and what will his role at Poker King entail?

WY: I am so glad that AJ came over here as our COO. AJ and I have been friends for three and a half years, even before Poker King opened. I saw him lead the maturing of poker at Wynn Macau, growing it into a very successful room. He is from Las Vegas, knows the game well and his ambition was not just to have the 8-hour shift job of being a poker room manager. His heart is in poker and he wants to take the game to the next level in Asia. AJ's contract with Wynn ended in March, so we got him here to sharpen up my staff and patch a few holes that we have encountered over the years. His role is not only to make our operations smooth but also in the business development area as well, regarding other projects that we have planned for our expansion in Asia.

AWS: We've heard Poker King is opening a new room at Resorts World Manila. What can you tell us about that?

WY: We've got a verbal agreement with Resorts World and we are still working on this. We have always supported their tournaments and promotions because we have a good relationship with the APT over there, thanks to the APT's Jeff Mann and Tom Hall.

One of my regular VIP players, Richard Yong, has a junket room with Resort World. As you know Richard came eighth in the WSOP One Drop event. He is very keen not only to be a winning tournament player, but also to build poker. We helped Resorts World organize the Manila Millions. Richard and I took Macau VIPs over there, and Resorts World realized there are many Chinese VIP poker players interested in tournaments, and who are willing to travel within Asia to places like Resorts World.

It's not exactly that we are getting a poker room there; rather they're giving us a two-table VIP area of the poker room. There will still be the regular poker room, which will be managed by Resorts World.

The two tables will probably play a higher stakes game and will be branded Poker King and also branded APT as a sponsor. They will cater to the Chinese, Hong Kong and Macau players. Instead of using Philippines pesos, they will play in Hong Kong dollars, which is more familiar to them, and this way they don't lose on the exchange rate. They'll be able to use their reward points from here in StarWorld in the Philippines for getting hotel rooms and so on.

**卓**:我们听说扑克王将在柬埔寨开办扑克室。 很高兴看到扑克王在如此新颖的目的地推广扑 克。这是如何发生的,能谈一谈有关这间扑克 室的事宜吗?

余:它会设在柬埔寨巴维(Bavet)的拉斯维加斯太阳娱乐场。APT将从11月14日在那里开启柬埔寨站的比赛。我的一位好友Sang Park(相信你也认识,也是Johnny Chan的朋友)联络了我,为我们牵线搭桥。APT先去了那里,[APT赛事总监]Lloyd[Fontillas]及他的团队去考察了环境,并对柬埔寨市场做了一点研究。我们所有人都确信这将是很好的APT赛站。它位于越南边境,从胡志明市出发大概一个半小时的车程。越南目前还没有娱乐场或扑克室,因此我认为我们将吸引很多越南及柬埔寨的玩家。

**卓**: 这些新的扑克室是扑克王拓展规划的前兆 吗? 未来能期待看到更多的扑克王开幕吗? 如 果是,会在哪里?

余:一些[PAGCOR娱乐城]正在兴建的马尼拉娱乐场联络过我们。越南一些其它地方及韩国的济洲[岛]也和我们有过接触,他们也联系了APT。APT济洲赛站的敲定已十分接近。我们会否进军济洲仍在商议中。当前最大的目标是在澳门开设第二和第三间扑克室。

**卓**:您能否详细讲一下澳门哪几间娱乐场有可 能引入扑克王?

**余**: 我们认为去任何一间娱乐场都没有什么局限因素。星际酒店的母公司是银河娱乐集团,我们希望能在澳门银河开设,它是一个魅力四射的全新度假村。就像星巴克一样,我认为我们可以进驻任何娱乐场。

**卓**:玩家可以在一间扑克王存款,然后到另一 个国家的扑克王提款吗?

**余**: 我认为娱乐场对我们感兴趣的主要原因之一是我们有一个非常好的存款制度。是的,玩

家可以在一个国家存款然后到另一个国家提款,但会有一个限度,该限度的最终决定权属于我们的母公司,与任何贵宾会一样。没有必要担心带钱出境或兑换问题,也无需担心可以带多少钱出境或入境的问题。在最近的马尼拉比赛中,我看到有人不清楚法律,他们离境时可能带了太多比索。我们的存款系统将令锦标赛更具吸引力。

**卓:** 您一定有留意到澳门扑克之星(PSM)的发展。把他们看作竞争吗?您对PSM的变化以及澳门的扑克锦标赛有何看法?

余:首先,在Danny [McDonagh]和Fred [Leung]的运作下,PSM在亚洲做得相当出色。他们对扑克事业充满热诚,将触角延伸至亚洲各地,不仅仅在澳门。我从不把PSM视为竞争对手,我认为共同打造扑克版图要比互夺地盘更重要。像红龙杯和澳门百万元大赛这样的PSM大型赛事戏剧性地促进了亚洲扑克业的发展,因为他们没有集中在可能被视作赌博的现金游戏。锦标赛有助于中国人树立起对扑克赛的正确观念,它是一项运动,而不是赌博。PSM非常成功,参赛人数的纪录每年都在刷新。我常看见你在那儿

打比赛![笑]我认为在亚洲还没有人能把锦标 赛做得如此卓著。

我非常希望可以与PSM合作。他们现在位于金都,和我们一样隶属银娱集团。我希望他们能继续专注于锦标赛,而我们则集中建立现金游戏,在澳门共同打造扑克世界。

他们离开新葡京令人感到惋惜,因为PSM、 扑克王及永利形成一个小三角,很方便玩家。现 在我们被分开,有些玩家会不情愿去那么远。

**卓**: 我们听说了澳门对赌台上限规定的更改, 这样增加扑克桌并不代表一定要减少百家乐台。这是否意味着扑克王在未来可以在扑克室 增加桌量?

余:我认为这取决于娱乐场和扑克王的业务需要。在赌台上限规定中,目前一张博彩赌台的确被认为等同于数张扑克桌,这为我们说服更多娱乐场设立扑克提供了便利。我们[在星际]有八张扑克桌,目前没有打算增加。我认为收益模式与赌台上限没有关联。赌台上限更多与纳税相关,因为扑克和其它博彩都是40%的税。另一个障碍是娱乐场是否愿意引入扑克。

**AWS:** We've heard that Poker King is opening a new room in Cambodia. It's great to see poker expanding to such an exotic destination. How did that come about and what can you tell us about the room?

WY: It will be in Cambodia's Las Vegas Sun Casino in Bavet. There will be an APT Cambodia event there starting November 14. A good friend of mine who I believe you know, Mr Sang Park, who is also Johnny Chan's friend, contacted me and he hooked us up with this deal. The APT went there first, [APT Tournament Director] Lloyd [Fontillas] and his crew went over there to see the area and study Cambodia's market a little bit. We all decided it would be a good stop for the APT. It is right on the Vietnamese border, about one and a half hour's drive from Ho Chi Minh City. Vietnam has no casinos or poker rooms right now, so I think we will drive a lot of traffic from Vietnam as well as Cambodia.

**AWS:** Do these new rooms signal ongoing expansion plans for Poker King? Can we expect to see more Poker King rooms opening in the future, and if so where?

WY: Some of the future casinos in Manila [at PAGCOR Entertainment City] have approached us, and also other places in Vietnam and also Jeju [island] in Korea have approached us and they have approached the APT as well. The APT is close to finalizing having a stop in Jeju. Whether we are going to Jeju is still being decided. My biggest goal right now is to open a second and third poker room in Macau.

**AWS:** Can you elaborate on which casinos in Macau might get Poker King rooms?

**WY:** We don't think that we have any political limitations stopping us going to any casino. With our mother group here at StarWorld being Galaxy, we would hope we can be in Galaxy Macau too as it is a beautiful new resort. But just like Starbucks I think we can go to any casino.

**AWS:** Will players be able to deposit funds in one Poker King room and withdraw them in another room in a different country?

WY: I think one of the major reasons casinos approach us is because we have a very good deposit system. Yes, players will be allowed to deposit in one country and withdraw in another but there will be a limit and the final decision on that limit belongs to our mother company, just as with any junket room. There will be no need to worry about carrying money across borders or worrying about where to change money or where to change it back. And they don't have to worry about how much money they are allowed to take in or out of the country. At the last Manila tournament, I saw people didn't understand the law, and they might have taken too many pesos out of the country. Our system will make it more attractive for them to play the tournaments.

**AWS:** You must have noticed the developments at PokerStars Macau (PSM). Do you see PSM as competition? What do you feel about the changes with PSM and tournament poker in Macau generally?

WY: First of all, PokerStars Macau did a very good job in Asia with Danny [McDonagh] and Fred [Leung] running their organization here. Their hearts are right into poker. They are building poker across Asia, not only in Macau. I have never looked at PokerStars as a competitor because

I think building a pie is more important than fighting each other to eat that pie. PokerStars' major tournaments like the Red Dragon and Macau Millions have helped build poker in Asia dramatically because they are not concentrating on cash games, which can sometimes been seen as gambling. Tournaments help people in China to have the right idea that a poker competition is a sport, not gambling. PokerStars has been very successful and set new records for player numbers every year, and I see you there all the time! [laughs] I think nobody so far in Asia has done such a fantastic job regarding tournaments.

I would definitely like to have the chance to work with PokerStars. They are now at the Grand Waldo under the same Galaxy group as we are. I hope they can continue to concentrate on tournaments, and we can concentrate on building cash games. We can develop poker in Macau together.

It was disappointing they left Grand Lisboa because they were here with Wynn and us in a little triangle that was convenient for the players. But now we are separated and some players feel uncomfortable about travelling that far.

AWS: We've heard about changes in the Macau table cap rules to allow more poker tables without casinos necessarily having to close baccarat tables. Does this mean Poker King will be able to increase the number of tables in its room in the future?

WY: I think this depends on the business needs of both the casinos and Poker King more than the table cap. For table cap purposes one gaming table is now definitely considered equivalent to a multiple number of poker tables. This opens up the door for us to talk to more casinos about having poker. We have no plans of putting more than our current eight tables here [at StarWorld] and I think the revenue generation model is nothing to do with the table cap. It's more about the tax situation as there's a 40 percent tax on poker just the same as any gaming in Macau. And the other barrier is simply whether the casinos want to have poker or not.

**卓:**扑克不是传统亚洲游戏,但它正逐步植根亚洲。您认为扑克王及其它 扑克室应如何吸引更多亚洲玩家?

**余**:我想我只能代表扑克王发言,不能代表他人。我认为需要有更多公 司而不只是扑克室来关注扑克。比如像你们公司一环球博彩,一直对扑 克兴趣浓厚。我认为公司需要将扑克业的扩张作为目标,而不仅仅是在 寻找短期利润。过去一两年里,澳门扑克室的客流量不断增加。PSM的锦标赛、我们的锦标赛、APT及现金游戏都各自发挥了作用。

扑克进入澳门的第一年, 玩家大多是香港人、归国北美华人或游 客。如今中国内地群体已固定到访澳门,有些甚至搬到这里玩扑克。越来越多的玩家是来自日本、韩国和菲律宾,这些都不是来自北美的亚洲人,而是来自亚洲的亚洲人。我们一定要通过做国际市场营销在整个亚 洲推广扑克业,而不仅在澳门。

澳门是亚洲博彩之都,基本上是唯一拥有合法扑克室并有很多注 额选择的目的地。显然马尼拉的扑克史也很长,但在澳门,我们可以 提供不同层次的游戏类别、服务和设施。一卡存款以及可以作为借记卡 的扑克王卡对国际玩家很有吸引力。他们没有澳门银行帐户,很多人不 想随身携带现金,因此他们在扑克王俱乐部存款,并可以用扑克王卡在 澳门很多地方购物、吃饭或娱乐。我们正在努力争取更多卖主接受扑克 王卡,这将增加玩家信心,在澳门期间更加便利。

我们的电视节目可以将讯息散播到亚洲各地,甚至传到澳大利亚的墨尔本。我们希望它能为玩家提供必要资讯,令玩家有兴趣来到澳门参与他们的第一场锦标赛或体验现金游戏。我的目 标是拓展扑克版图,在澳门开两或三间以上的扑 克室,所有玩家都可以享用一卡存款的便利。娱 乐场之间可以分享更大规模的市场营销,组织更 多推广,比如积宝。单个娱乐场或扑克室不用聘 请扑克管理团队或单独做自己的营销,这些服务 我们都可以提供。

AWS: Poker is not traditionally an Asian game, but it is slowly becoming so. What do you think Asian poker rooms like Poker King and others need to do to attract more Asian players to play poker?

WY: I think I can only speak for myself on behalf of Poker King. I can't speak on behalf of others. I think it needs more companies, not just poker rooms, to take an interest in poker. For example companies like yours, World Gaming, have been taking an interest in poker. And I think companies need to focus on the expansion of poker as a goal instead of just looking at short-term profit. Over the past year or two the traffic in Macau poker rooms has been increasing. PokerStars tournaments, our tournaments, APT tournaments and also the cash games have all contributed to this.

Bened

Back in the first year of poker in Macau, the players were mostly from Hong Kong, Chinese people from North America who moved back or tourists. Now mainland Chinese people are coming to Macau steadily, and some even moved here to play. More and more players are from Japan, Korea and the Philippines, and these are not Asian players from North America, these are Asian players from Asia. We should definitely build poker across Asia, not only in Macau, by doing international marketing across Asia.

Macau is the gaming capital of Asia. It is pretty much the only place with legal poker rooms with a wide choice of table stakes. Obviously in Manila, they have had poker a long time, but in Macau we can offer a different level of variety, service and facilities. With the convenience of one-card deposit and also our Poker King card, which can be used as a debit card, it's attractive for international players to come here. They don't have a Macau bank account, and a lot of them don't want to carry cash, so they deposit at the Poker King Club and they can use the Poker King card for purchases, to have dinner or to purchase entertainment in many places in Macau. We are working on getting more vendors to accept our card, which will give players more confidence in our card and extra convenience when they are here.

Our TV show will hopefully take the message all over Asia. It goes as far as Melbourne in Australia. We hope it will educate players and interest them in coming to Macau to play their first tournament or to experience a live cash game. My goal is to expand poker and hopefully open two or three more poker rooms in Macau where all players can have the convenience of a onecard deposit. The casinos could share a bigger marketing plan and have more promotions, such as a jackpot promotion. Individual casinos or poker rooms

**卓:**跟我们讲一下您的扑克电视节目吧。

**余:**我们的节目叫《扑克秘密》,在莲花卫视每周五晚播放,每次一 小时。许多亚洲国家都可以看到,包括中国在内。该节目已持续六个多 月,我们很高兴看到这种扑克秀进入中国,向人们展示扑克锦标赛是一项 运动。除播放锦标赛外,节目还包含一些游戏教程以及国际知名玩家的介 绍。我们希望借此在整个亚洲提升人们对扑克锦标赛的认识。

**卓**: 扑克王已成为高注额游戏的代名词。世界一流的高注额现金游戏玩家 (包括您在内)与富有的亚洲商人在这里较量。这种游戏是如何开始的? 投注额有多大?哪些人定期光顾?

余: 我绝对要感谢我的太阳城老板Alvin Chau。他介绍了许多在永利扑克室 磨练的贵宾,他们在那里定期玩5,000/10,000港币的盲注等级。现在这里有 高注额游戏,从20,000/40,000港币开始。正如我之前所说,每周开展四至 五晚。玩家有亚洲商人、贵宾会合作伙伴和中介、在线游戏经营人、上市公司首席执行官,当然还有一些本地和国际职业选手。Phil Ivey、Johnny Chan、Gus Hansen、Tom Dwan、John Juanda以及Sam Trickett都是熟悉的面 孔。Tom、Sam和Gus是贵宾们的最爱,因为他们打法积极,攻击性强。

> **卓:**高注额游戏应该单独作探讨。实际上我们将在未 来的《环球博彩》期刊中发表一篇文章,详谈高注额 游戏。相信我们的读者会对这个故事着迷,我知道有 些游戏的盲注等级可高达30,000/60,000港币,甚至 50,000/100,000港币! 余先生,非常感谢您抽出时间 与WGM的读者分享您的看法。

余:很乐意这样做。🍇

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的所有文章。

would not have to hire poker management teams, or do their own individual marketing, we can do it all for them.

**AWS:** Tell us a little more about your TV show.

WY: Our show is called "Poker Secrets" and it shows on Lotus TV once a week. It is a one-hour show on Friday nights, and it goes to many countries across Asia, including China. We have had this program over six months now and we're very happy to have this kind of media going into China, to show people about the sport of poker tournaments. As well as broadcasting tournaments we also show tutorials and introduce international players. We hope this will open up the awareness of poker tournaments all over Asia.

AWS: Poker King has become synonymous with the so-called Big Game, which sees the absolute best of the best of the world's super-high stakes cash players (including yourself) duking it out with fabulously wealthy Asian businessman. How did this game get started? How big does it play? Who plays the game regularly?

WY: Definitely I have to thank my Sun City boss Alvin Chau for helping get this game started. He introduced many VIPs who had been learning the game at the Wynn poker room. They played regularly over there at the HK\$5k/10k level. Now the Big Game is here and the starting point is HK\$20k/40k and as I said earlier the game runs four to five nights a week. The players are Asian businessmen, junket room partners and agents, online gaming business owners, publicly listed company CEOs and of course some local and international pros as well. Phil Ivey, Johnny Chan, Gus Hansen, Tom Dwan, John Juanda and Sam Trickett are all familiar faces. Tom, Sam and Gus are the VIPs' favorites due to their aggressive play.

AWS: The Big Game is really a separate story in itself – in fact we'll be publishing an article in a future issue of World Gaming magazine that will go into detail about the Big Game. I am sure our readers will be fascinated with the stories from the game which I know can play as high as HK\$30k/60k and even get up to HK\$50k/100k on some occasions! Winfred, thank you so much for your time and for sharing your thoughts with WGM readers.

WY: It is my pleasure, Andrew. 🍇

# BRICKHOUSE

香港中环德己笠街 20A号地下 电话: +852 2998 4101 www.brickhouse.com.hk 同在香港的熊猫和骁龙决 定到Brickhouse品尝一 下他们的烹饪精品。这是 位于兰桂坊中心的一间时 尚墨西哥餐厅。

我曾说过亚洲餐饮是我的首选,但有时 难免也想换换口味,享用一些令人畅快 的拉丁风格美味。听说一位地道的德 刑人在香港市区烹调南美大餐,咕咕 作响的肚皮以及好奇的天性令我直奔

这是一家令人颇感惬意的餐厅, Brickhouse而去。 温暖亲切。很难确切形容这是哪种类别 mm以不可。1187年期以77日及走 787日天始 的餐厅,它是德州和墨西哥的有趣结 合,但我也拒绝称它为德州一墨西哥式 (Tex-Mex),因为菜单远比这个定义 要诱人。它以墨西哥为主调,融合了各 种拉美文化。我通常不喜欢将多个理念 融入一家餐厅,但不得不承认,主厨 Mustin Fry完成得相当出色。该餐厅多 样性的原因之一可能是他自己有趣的烹

Austin来自德州奥斯汀(Austin), 该地以音乐、炎热天气和美食闻名。他 饪背景。 通过在德州东部一个小酒馆做厨师完成 学业,并在此期间发现了自己对烹饪的 激情。如果你去对了地方,便能亲身体

成为行政总厨并获得所有必要的烹 会南部真正的热情好客。 任技能后, Austin决定在墨西哥城开启 一个项目,并迅速爱上了这座城市的点 点滴滴。墨西哥的影响之大令Austin将 自己的发展方向从精致餐饮转向了南美 街头美食。

The Panda found himself over in Hong Kong with The Dragon and decided to checkout the culinary delights on offer at Brickhouse, a stylish Mexican restaurant in the heart of LKF.

Cometimes you feel like something different. I have said before that the Asian cuisines are my first choice, but sometimes I have a hankering for some Latino-themed hearty goodness. Having heard there was an honestto-God genuine Texan cooking up some Southern delights in downtown Hong Kong, my rumbling belly and inquisitive nature found me heading to Brickhouse.

This is a simple feel-good restaurant that is both warm and inviting. It's hard to describe exactly what type of restaurant Brickhouse actually is. An interesting blend of Texan and Mexican, I won't do it the disservice of calling it Tex-Mex as the menu is far more exciting and draws from various Latin American cultures, with Mexico being the main focal point. While not usually a fan of mashing too many ideas into one restaurant, I have to

admit head chef Austin Fry has made it work well here. One of the reasons for this diversity may be due to his interesting culinary background.

Hailing from Austin, Texas, Austin is aptly named and his hometown is famous for its music, heat and food. Austin discovered his passion for gastronomy While cooking his way through school in a little bistro situated in the eastern part of Texas. If you ever find yourself in the right part of the US you will see for yourself how good Southern hospitality After becoming an executive chef really is.

and acquiring all the necessary culinary skills Austin decided to take on a project in Mexico City and expeditiously fell in love with every aspect the city had to offer. The impact of Mexico was so influential that Austin shifted his direction from fine dining to South American street cuisine.

This is the prefect place to visit with a group of good friends where you can share many different dishes together over a few drinks. This is atmospheric food and one that should be enjoyed in good company.

The other key ingredient to this fare is a good bar. Brickhouse has an impressive selection of cocktails for the adventurous and a long list of tequilas, which will always get any night off to a good start. Add in crisp, cold imported US microbrewery beers and a cheerful wine list and you have everything you need.

This is not high cuisine but it doesn't pretend to be. By Hong Kong standards the fare here is very reasonably priced. Brickhouse is a fresh and exciting place with unpretentious service and it's the perfect place to start off a big evening on the town. The Dragon was also very impressed with a note at the end of the menu suggesting patrons need not tip at the end of their meal. Nothing puts a smile on The Dragon's face more than saving a few dollars!

	8.0
Food	7.5
Service	8.0
Value	8.0
Setting	7.0
Wine	15.5/20
Overall	

Hong Kong is one of the culinary capitals of the world, and is now where Austin calls home. He has added his own unique culinary style to a landscape where it is difficult to grind out your own niche. Brickhouse has a range of food that goes great with a cold beer, shot of tequila or an icy margarita.

The home beet fries were fantastic as were the corn chips, which come with an original twist - the stone ground chips are served just how they are in Mexico and come with chicharrón (pork crackling). Freshly prepared guacamole, pickled vegetables and a choice of four salsas compliment this classic dish perfectly. Fresh, crisp ingredients are the key to this style of food and the tostadas and salads are all deliciously creative.

Restaurants of this ilk sometimes go overboard with too many items on the menu. Brickhouse hasn't fallen into this trap and offers its customers some real gems. The Witches Brew ceviche is a South American dish comprised of fresh fish marinated in a tangy salsa of avocado, citrus and tomato and is particularly noteworthy. Of course no visit to a Mexican restaurant would be complete without mention of the tacos, and Brickhouse's are particularly good. Offered as blackboard specials they come served in homemade tortillas with the fillings varying from day to day, some of the most noteworthy being the rib eye with manchego cheese, tomato salsa and cilantro, and the venison with spicy chipotle harissa, pickled cucumber and fennel yoghurt.

40 第19期 2012年9月/10月 | **#19 SEP/OCT 2012** 

season looks set to go to Manchester again. Which club you ask? Last season Manchester United and Manchester City led the table from beginning to end. Each of them showed great strength and topped the league for some period of time. However, it was the "Blue Moon" that waxed strongly to take the final stride on the closing day of the season, winning their first league trophy since 1968 by goal difference. Manchester's dominance is likely to repeat in the new season, but which teams represent the best betting value?

## **Manchester City**

Odds: 13/10

There has been no change to the first team this time around compared with last year's Manchester City squad. But this could give City's manager Roberto Mancini a headache. In the second part of last season, when City kept dropping points, the squad seemed to lack the presence of an additional goal scorer. To pull through the difficult situation, Mancini had to eat his own words and put Carlos Tevez on the pitch once again.

Now City has waved the white flag in the battle of winning the signature of Robin Van Persie, which indicates the board's hesitation in adding big names to the squad. Financial Moon to go further in the Champion's League this season, where the depth of the squad will be truly tested.

Verdict: City are a bad bet. They are reigning champions but now everyone is hunting them. This price looks stupidly short and I would look to lay them rather than bet on them, hope they get off to a bad start, then lay my bet off mid-season. Even if they do get off to a flyer I can't see them shortening significantly from this already-too-short price, unless United and Chelsea get off to an incredibly bad start and I just can't see that happening. Email my good friend big Jim if you want to back City as I hear that he is keen to lay them all day at 13/10.

### **Manchester United**

Odds: 11/5

Manchester United lost out on the title by a whisker on the closing day of the season, with goal difference being their only obstacle to victory. However, this setback is more likely to prove an inspiration than an obstacle to Sir Alex Ferguson. This summer, with the unpopular Glazer family's support, Fergie was extremely busy in the transfer market. The Scotsman has strengthened the Red Devil's midfield by bringing in Japanese attacking midfielder Shinji Kagawa and promising English youngster Nick Powell. While United have been edged out by bigspending French club Paris Saint-Germain in their attempts to sign young Brazilian talent Lucas Moura, they have snapped up Robin Van Persie.

These transfer activities indicate Ferguson's determination to win back the Premiership trophy from Man U's bitter rivals. After a season of ups and downs, the relatively young squad is maturing well, with the age structure of the squad becoming more balanced. Ferguson has always received support from his owners so expect some signings to make an impact.

Verdict: If you want to bet on a Manchester club then I would rather bet on United than City. United are seasoned performers, they thrive on success and don't accept failure. Sir Alex would have shown himself the door if he thought his team weren't serious contenders this year. Still a little short for my liking but you can never write the Red Devils out of any EPL season.

## 切尔西

赔率: 5/1

上赛季欧冠奖杯证明切尔西 一直以来所需的更严格的战术可以 获得成功。他们虽容易令人生厌, 但本赛季这支骄傲的伦敦球队英超 称雄的时机看起来已经成熟。

判断:如果可以在5/1的赔率下投注一家曼彻斯特球队,那么我绝不含糊。问题是,两家曼彻斯特球队,那么我绝不含糊。问题是,两家曼彻尔西廷我的第三选择,5/1看起来相当诱人。如果他们有个梦幻开局,那么可以期待赔率下跌一半,届时你可以转而受注获利。如果的确开局时后,到圣诞节前能咬紧榜首,那么这支伦敦最出色的俱乐部有望成就完美结局。

# 阿森纳

赔率: 11/1

这支球队终于失去了范佩西。温格 吸取了前几个赛季的教训,从转 会市场一开始便紧追目标球员。目 前己签下吉鲁、波多尔斯基和卡索 拉,希望能取代范佩西并给年轻阵 容增加一些经验。然而在最需要解 决的后防线上,枪手依然没有显著 改进。

斯琴什尼的出现一定程度上 缓解了枪手的门将危机,然而后 防线四人的受伤倾向和经验问题 都令人担忧。现在还很难理解枪 手的赛季战略,但不管是什么都 可能为时已晚。

判断:上赛季证明了枪手可以在后 半程发力。理论上来说,很难期待 他们进入榜首三甲,但如果要挑出一支能让实力平平的阵容展示出冠军威胁的球队,那肯定是阿森纳。在11/1的赔率下,阿森纳代表了绝好的投注价值。如果磨合默契,阿森纳有无限可能。

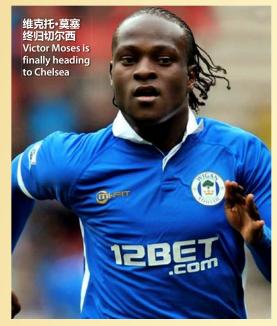

# 利物浦

赔率: 20/1

罗杰斯上任没能带入太多积极的 影响,球队似乎在群雄逐鹿的英 超不可回头地走向下坡路。最大 的问题依然是在为去年夏天达格 利什的错误引援买单,当时的足 球总监科莫利和国王本人都下课 也无法挽回。

罗杰斯上任之初已经明确, 今夏转会市场最重要的是重新平 衡薪资结构,这意味着球队只能 先关注清洗高薪的冗员。迄今为 止,转会市场只引进了博里尼为 作。球队在季前热身中股 有展示出可以踢罗杰斯最青睐的 4-3-3进攻足球的潜力。或许,的 聚季。

判断:如果赛季开局不利无法扭转球队信心,极有可能重演上赛季的悲剧。如果想在英超实现长期成功,必须在球员投入上有大手笔,实现球队的长期稳定。对利物浦来说,这有可能在未来实现,但在下赛季,人们很难看到又一个默西塞德奇迹。

## Chelsea

**Odds:** 5/1

After three consecutive losses in the preseason friendly games, Chelsea was in a hurry to bid for Wigan's Victor Moses. Signing Moses in time for the new season reflects manager Roberto Di Matteo's desperation. Once the season is over, Roman Abramovich may regret giving Roberto a permanent contract. Time will tell however, and Ambromovich seems more proactive in delivering another title to Chelsea.

Their Champion's League triumph last year was testiment to the more disciplined approach to football Chelsea always needed. They are a team you love to hate but there just seems to be a feeling from those in the know that the EPL title is ripe for the picking for this proud London club.

Verdict: If I could back a Manchester team at 5/1 then I would be standing in line to place my bet. The problem is that both Manchester options are well and truly under those odds. Chelsea is the clear third pick this year and 5/1 seems a very juicy price to me. If they get off to a flyer then expect this price to halve, and you can lay your bet off for a nice profit. If they can get off to a good start and be within a few points by Christmas then expect a big finish from London's best team.

### Arsenal

Odds: 11/1

The Gunners have lost Robin Van Persie to Manchester United. Wenger has been quick in the transfer market this time around, hoping to avoid repeating the misery of the last couple of seasons. So far he has signed Olivier Giroud, Luka Podoloski and Santi Cazorla. These players are meant to replace Van Persie

and add more flair and experience to the young squad.

However, the manager has not changed anything to fix the fragile defense.

The emergence of the talented Wojciech Szczęsny has solved the long-term problem in the goalkeeper's position, but the inexperienced and injury-prone back four are some cause for concern. It's hard to know what they are trying to do down at Arsenal but whatever their plans are it might be a season too late.

**Verdict:** Last year the Gunners found form late in the season. On paper it's hard to see how they are going to challenge the top three, but if any club has the capacity to turn an average squad into a championship

threat then it's Arsenal. At 11/1 Arsenal may represent excellent value because if things gel they are capable of anything.

# Liverpool

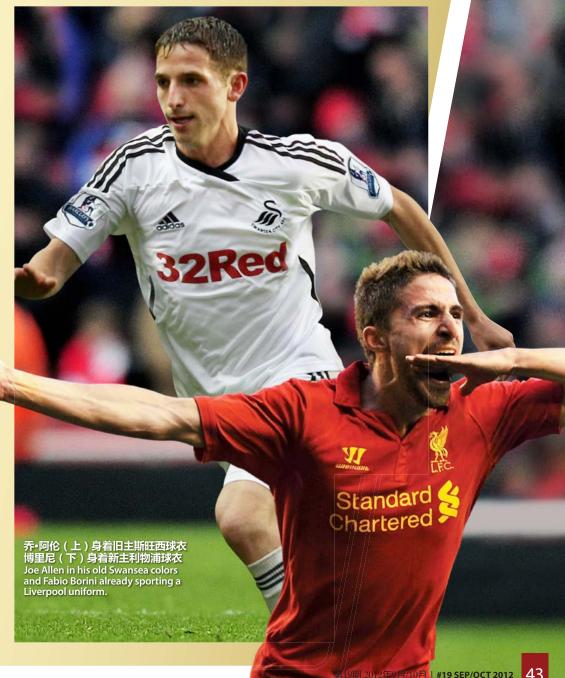

Odds: 20/1

The appointment of Brendan Rodgers hasn't brought that many positive aspects to Anfield and the Reds continue to lose ground in this super competitive league. Their biggest problem is their past purchases. Rodgers is still paying the price for Kenny Dalglish's mistakes last summer and even the sacking of King Kenny and the then Football Director Damien Commoli cannot make up for this.

Rodgers was told before he took over the manager's seat he had to first rebalance Liverpool's salary structure, which meant getting rid of overpaid players surplus to the Reds' needs. As a result Liverpool has only recruited Fabio Borini and Joe Allen so far. The team hasn't shown too much potential playing the offensive 4-3-3, which is Rodgers' favorite formation. It may be another tough season for those that "never walk alone".

Verdict: Liverpool need to get off to a great start or they may be in for another horrible season. If you want to achieve long-term success in this league you have to spend money and work towards long-term stability. That might happen in the more distant future but it is hard to see any Merseyside miracles occuring during the upcoming season.

**Tottenham Hotspur** 

# 热刺

赔率: 33/1

博阿斯的高位防守对任何英超球队都会是巨大的挑战,这可能 是由于葡萄牙人上任后第一笔引援便是前阿贾克斯主力中后卫 维通根的缘故。热刺上赛季后半程滑坡,有评论称前 主帅老雷德克纳普可能执教英格兰的消息分了球员 的心。

本赛季不会有这样的问题。新帅博阿斯已经找好 了准备离开的莫得里奇的替代品,他们从利物浦手中 抢到了攻击型中场西德古森。不过克罗地亚中场不可 轻易替代,热刺阵容比起上赛季反而有所下滑。

判断:热刺是一个"伪装"成冠军争夺者的俱乐部。今年是这支伦敦球队真正制造威胁的最佳时机,然而当热刺延续一些愚蠢的管理决策,存在一连串不稳定因素并缺乏真正豪门球队应有的光泽时,这种可能几乎荡然无存。赔率很诱人,甚至可以说在这个赔率下他们比利物浦更有投注价值,不过如果他们能击败群雄,我会大跌眼镜。

# 纽卡

赔率: 125/1

上赛季一度看起来像是前四席位的有力争夺者,但最终还是未能超越热刺和切尔西。他们在转会市场上连续两个前锋引援都十分成功,登巴巴在上半赛程闪光,帕皮斯•西塞在下半赛季14场进13球。

西塞上赛季进球效率仅次于范佩西。这两个前锋的合作和伤病情况是新赛季纽卡命运的关键。他们中间任何一人受伤,都会给纽卡的攻击线带来沉重打击。总体来说有球星依赖症的俱乐部往往在短期内颇有威胁,但长远来看难成气候。

判断: 纽卡斯尔板凳厚度不够。状态好时,喜鹊可以击败任何球队。问题是他们必须长期保持这样的水准。纽卡斯尔夺冠将是一个童话故事,而童话就是100/1的命题,甚至更高。如果你想意外创造大笔财富,那么它是你唯一的选择。

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的所有文章。

### Odds: 33/1

西德古森加盟热刺

has signed for Spurs

Gylfi Sigurdsson

Villas-Boas' high defensive line approach will be a huge challenge to any Premiership club. That explains why the first signing of the Portuguese manager is the former Ajax FC central defender, Jan Vertonghen. Although Spurs didn't perform well in the second half of last season this can partially be contributed to newspaper reports regarding their former manager, Harry Redknapp, taking over the English national team managerial position, which distracted the players.

There will be no such problem this season. Villas-Boas has found a replacement for the Croatian magician Luka Modrić, who has expressed a desire to leave the club and is in the midst of a protracted move to Real Madrid. Whilst Spurs beat Liverpool in the race to sign offensive midfielder Gylfi Sigurdsson, Modrić will not be easily replaced. Spur's squad will be weakened when they inevitably lose him.

Verdict: Tottenham is a club pretending to be a contender. There may never be a better time for the London club to force their way into serious contention, but this window will shut as Spurs battle with ongoing managerial stupidity, an inconsistent list and a lack of the polish the best teams have. Their price is juicy and you could easily argue they are better value than Liverpool but it would be a huge surprise to see them outlast the rest of the field.

# **Newcastle United**

Odds: 125/1

For some time last season the Magpies showed the potential to reach the top four. However, in the end they couldn't overtake Tottenham Hotspur and Chelsea. Newcastle have been clever in the transfer market, with summer signing Demba Ba playing well in the first half of last season and winter recruit Papiss Cissé scoring 13 goals in the last 14 league games.

Cissé scored at a rate last season second only to Van Persie. Cissé and Demba Ba are essential to Newcastle, and if either of them get injured it will be a huge blow. In general, any team relying too heavily on individual players can be a threat in the short term, but chances are they will fade away in the long run.

Verdict: Newcastle suffer from a lack of depth. At their best the Magpies can beat anyone. The problem is they have to do it game after game after game. Newcastle lifting the trophy would be a wonderful fairytale, but fairytales are 100/1 propositions, or maybe even longer. If you are looking to turn nothing into a windfall, this is your only option.

# 部

本期我们的国际麻将系列继续,探讨一下在台湾盛行的独特的麻将风格:使用额外三张麻将牌。

世界系令。

# 台灣

在正式加入日本职业麻将联盟六个星期前,我第一次来到台北,自然想去挑选一些正宗的中式麻将牌。在日本通常是在玩具店或网上购买,我实在不知该从何处找起,结果发现根本无需太大力气。

 一样颜色的棒子以及一叠用来保护桌面和麻将牌的 薄纸。对于平时用惯麻将席、牌桌或自动桌的我来 说,这种纸也是第一次见到。

台湾麻将在本土十分盛行,多数人都是在家庭 聚会中观看祖父母或父母打牌学会的。它的流行度 甚高,以至于过去很多在澳门举行的大型国际比赛 都由台湾公司运作,不过台湾麻将实在与众不同。

大部分麻将版本中,一手牌由13张组成,最后 胡牌是14张,而台湾麻将就加了一组,总共16张 牌,胡牌就需17张。这就使得台湾麻将有很多规则 变化。另一个独到之处是,东家是依开门的位置而 定,尽管庄家也跟其它麻将一样轮流担当。台湾麻将除了本身136张基本牌外,还有8张花牌。

几年前,我与同事Garthe Nelson有幸获邀到台北参加一场麻将赛。不得不说,在六年职业生涯中我遇到的最友善的就是台湾选手,与他们切磋也最有趣。如果你没有参与过,对手会乐意教你,甚至给你提示去赢牌。这是新手学习游戏、老手改进技能的一个绝佳环境。

# MAHJONG AROUND THE WORLD: TANK AND THE WORLD: TANK THE WORD: TANK THE WORLD: TANK THE WORLD: TANK THE WORLD: TANK THE W

作者: 白珍 by Jenn Barr

Continuing our international mahjong series, this issue WGM explores "plus three" – the unique styling prevalent in Taiwan which uses an extra three tiles.

he first time I visited Taipei was about six weeks before I was officially admitted into the Japan Professional Mahjong League. Naturally on my trip I wanted to pick up some authentic Chinese mahjong tiles, but coming from Japan where most sets are bought in toy stores or over the internet, I had no idea where to start searching. It turned out there wasn't much searching needed.

Gambling is not allowed in Taiwan and this translates to a one mahjong table limit per household. That still gives scope for an enormous number of mahjong tables, and there are small mahjong specialty stores all over Taipei with a variety of tiles, sticks for

straightening walls and other mahjong accessories. You can even get single replacement tiles if you've lost one. The quality of the sets is good and the prices are even better. On my trip I chose a heavy set with sparkly blue backs. Taiwanese mahjong uses a six-sided die to show which round it is, something we don't have in Japan, so the clerk threw in one of those and matching blue sticks to go with my set, along with a stack of thin paper to protect table tops and tiles. This paper is another thing I saw for the first time since I generally play on mats, automatic tables or felt card tables.

Mahjong is extremely popular throughout Taiwan and most people learn to play by watching their grandparents or parents at family gatherings. It is so popular that many of the large international tournaments held in Macau in the past were run by companies based in Taiwan. But Taiwanese mahjong is also unique.

While most versions of the game hold 13 tiles in a working hand and 14 for a winning hand, Taiwanese rules add an extra group, so a hand in play holds 16 tiles and a winner uses 17. This makes for plenty of rule variations. Another special feature is that while the "deal" rotates around the table

like other versions of the game, the East seat is decided by where the wall is split, which in turn determines the seat winds and seat flowers/seasons of each player. The game is played with 8 flower/season tiles in addition to the basic 136 in a deck.

My colleague Garthe Nelson and I were lucky enough to be invited to play in a tournament in Taipei a few years ago and I have to say the players in Taiwan were the nicest and most fun group that I've had the pleasure to play with in my six year career. If you've never played before your opponents will be happy to teach you and even give you tips to win. It's a great culture to learn the game in and a great environment to improve your skills as a player.

The popularity of the twist of an extra set in your hand is beginning to spread and there are many players in Hong Kong picking up this version lately as well. I have to admit, it's a fun game to play. If you're in Taiwan you'll have to find a home that has an open seat at the sole table in their house, but if you're in Macau and up for a game of Taiwanese mahjong, give me a holler. I love a good 16-tile hand. Maybe I'll even bring my sparkly tiles.

牌九是一个有趣多变的游戏。它将运气、技巧和文化都融入进一个使用骨牌 的赌台游戏中。其复杂性令很多人止步,但如果花点时间学习,你会发现这是 一个引人入胜、极富亚洲文化色彩的投注游戏。

牌九是一个广博的话题,我们准备分三部分讲 解:

部分A: 骨牌和基本玩法(2012年第17期7月/8月)

部分B: 对牌和标准手牌(本文)

部分C: 王、杠、高九和至尊宝(未来期刊)

如果你还没有阅读部分A,可以在线阅读。只需 访问我们的网站wgm8.com,在搜索栏输入"牌九" 即可。

现在我们继续部分B, 开始评估发到我们手中的 牌。只有开始学习手牌的评估后,我们才真正开始 了对游戏机制的学习。牌九虽不是什么尖端学问, 但与轮盘、二十一点和百家乐等游戏相比,会显得 相当复杂。也许这正是游戏的部分魅力所在!

牌九中共有三种类型的手牌(一手牌包含两张 骨牌):

- 对牌
- 王、杠和高九
- 标准手牌

以上是按由强到弱的顺序,但为了令讲解更加 ...但这个就不是对牌: 简单易懂,我们不准备按这个顺序进行。

# 对牌

对牌是牌九中最强的手牌。如果你拿到两张完全一 样的牌,几乎总是会把它们放在一组。当然,如果 拿到两组对牌是再好不过了,这样你的高牌和低牌 都是对牌。

我们之前讲过,一副牌九骨牌中共16对牌,11 对文牌(两张相同牌)和5对武牌(两张不同牌) 。对初学者来说最大的问题在于,有多张骨牌上嵌 有相同数目的点,有些是对牌,而有些却不是。比 如,我们看一下七点。

下面四张骨牌都有七个点:

这是高脚七:

这是杂七:

...这只是个标准或普通手牌(下文会进一步讲解)。

刚开始玩牌九时,你可以带上16组对牌表(按 强弱顺序),用来帮你判断你的手牌是否是对牌。

"至尊宝"是最强的对牌,接下来是11对文 牌(按顺序为天、地、人、和、梅、长、板凳、斧

# PAIRS AND STANDARD HANDS

Pai gow is an extraordinary table game played with tiles. A combination of luck, skill and culture, its complexity has scared many away, but if you take the time to learn you will have found one of the truly great games to bet on, rich in both Asian heritage and culture.

explaining pai gow is such a large subject, we're going to split it Here are the four tiles in the deck that have seven pips on them: into three articles:

Part A: The tiles and basic play (WGM issue 17 Jul/Aug 2012)

Part B: Pairs and standard hands (the article you are reading

Part C: Wongs, gongs, high 9s and gee joon (will be in a future issue of WGM)

If you haven't read part A, you can read it online. Just visit our website wgm8.com and enter "pai gow part A" in the search box.

Now let's move on to part B, in which we start to evaluate the hands we are dealt. In learning how to evaluate hands, we truly begin to learn the mechanics of the game. The game of pai gow is not rocket science but in comparison to games like roulette, blackjack and baccarat it can be very complicated. In some ways this is part of the beauty of the game!

Remember a hand in pai gow is two tiles. There are three groups of hands in pai gow:

- Pairs
- Wongs, gongs and high 9s
- Standard hands

This is the order of hands from strongest to weakest, but we are going to explain these in a different order as it makes the explanation easier to understand.

Pairs are the strongest hands in pai gow. If you are dealt two tiles that are exactly the same then you nearly always play them together. Obviously, two pairs would give you the very best start, as you then have a pair for your high hand and a pair for your low hand.

As we said before there are 16 pairs in a pai gow deck with 11 of those being identical. The other five are non-identical. The biggest problem for beginners is there are multiple tiles that carry the same number of pips, and some are pairs while others are not. For example, let's have a look at the sevens:

Now this is a pair of tit (or a tit pair):

And this is a pair of chop chit (or a chop chit pair):

...but this is not a pair at all:

...it is just a standard hand (explained further below).

When you start playing pai gow, you can use a list of all 16 pairs in rank order. This will help you work out if your hand is a pair or not.

Notice that the gee joon non-identical pair is the highest pair, followed by the eleven identical pairs (teen, day, yun, gor, mooy, chong, bon, foo, ping, tit and look, in that order), followed by the

头、红头十、高脚七和铜锤六),之后是其余4对武牌(按顺序为杂九、杂八、杂七和杂五)。

# 标准手牌

我们暂时跳过王、杠和高九牌,来学习标准手牌(或者说普通手牌)。了解了标准手牌将有助于我们理解王、杠和高九。

标准手牌对百家乐玩家来说比较简单,因为这其中的神奇数字也是9。最佳普通手牌是9,最差是0。与百家乐一样,要忽略掉十位上的数字。比如,一张9个点的骨牌加上一张7个点的骨牌一共有16个点,那么这手牌就是6。一张7个点的骨牌加上一张10个点的骨牌一共有21个点,那么这手牌就是1。

如果你没有拿到对牌、王、杠或高九,就必须 打两手标准牌。这是最为常见的状况。最好的策略 是使两手牌越接近越好。我们来看下这手牌:

发到这四张牌时有三种选择。

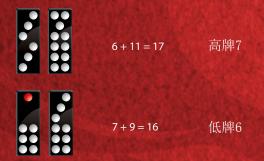

显然这是最差的组合: 高牌是3, 低牌是0。这样组合完全是个错误。

这是第二好的组合,仍不是最优。你的目标应该 是令高牌和低牌越接近越好。

这是最佳组合。高牌7并不是很强,但低牌6有 机会令你至少打个平手。

有时你可能不得不组合出非常强的高牌和非常弱的低牌。理想情况下,你当然希望高牌和低牌都很强。如果这不可能(通常都不可能),我们需要将目标定为平局,那么就必须将高牌和低牌中的一个尽可能做强。如果没有对牌、王、杠或高九,就基本不会有很强的高牌。这意味着我们的策略应该是牺牲掉高牌,将低牌做强,使两手牌越接近越好。

在这种情况下,我们要祈祷庄家采取相反的做法(高强、低弱),这样我们会打成平手。如果庄家牌出奇地糟糕时,我们也有可能胜出。

现在我们回顾一下玩家牌和庄家牌一样的情形。规则很简单,你选出最大的单张牌,以这张牌的等级(不是点数)来判断这手牌的强弱。我们来看下三种点数为6的手牌。

four "chop" non-identical pairs (chop gow, chop bot, chop chit and chop ng, in that order). Remember the words gow, bot, chit and ng sound very much like the Cantonese pronunciation of 9, 8, 7 and 5, and those are the number of pips on the chop gow, chop bot, chop chit and chop ng tiles, in that order.

### **Standard Hands**

Let's skip the wongs, gongs and high 9s for now and consider the standard hands, because understanding the standard hands will help in understanding the wongs, gongs and high 9s.

Standard hands will be easy for baccarat players as the magic number here is 9. The best normal hand is 9 and the lowest is 0. As in baccarat, ignore multiples of ten. For example, a tile with 9 pips plus a tile with 7 pips totals 16 pips, so the score for that hand is 6. A tile with 11 pips plus a tile with 10 pips totals 21 pips, so the score for that hand is 1.

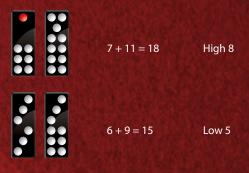

If you haven't been dealt a pair, a wong, a gong or a high 9 in your four tiles then you have to play two standard hands. This is more common than not. The best strategy here is to make your two hands as close together as possible. Let's look at this hand:

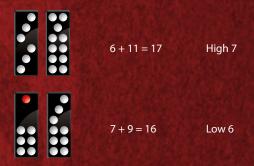

There are the three possible options when dealt these four tiles. Obviously setting your hand as in the diagram below is your worst possible option. You have 3 for your high hand and 0 for your low hand. Playing this would be a total mistake.

Setting your hand as below would be your second best option but still not optimal. Your aim should be to get your high and low hand as close together as possible.

Setting your hand as below is the right set for these tiles. Your 7 high is not strong but your 6 low is in with a fighting chance of getting you out with at least a push.

There are times where you might be forced into playing a very strong high hand with a very weak low hand. In a perfect world you want two strong hands. When this is not possible, as it often isn't, we need to play for a push. When we are playing for a push we want to maximize either our high or our low hand. If we don't have a pair, wong, gong or high 9 we are not going to have a very strong high hand. This means our strategy is to make our low hand stronger at the expense of the high hand bringing the two hands as close together as possible.

In this situation we hope the banker is forced into playing the other way around (strong high and weak low). This would see us push the hand even though we are playing relatively weak tiles. These hands can also win on occasions where the dealer has shocking tiles.

Let's now recap what happens when your hand and the banker's hand total the same. The rule here is pretty simple. You take the highest tile and judge the hand on the rank of that tile (not the number of pips). Let's have a look at three different hands totaling six.

这是地六

this is a day-six

这是三手牌中最大的六点,称为地六。这手牌中最大的牌是地牌。与庄家的六点打平时,地牌就 用来决定这手牌的强弱。

这是梅六

Out of the three this is the biggest six and is known as a *day*-six. This means the biggest tile in the hand is the *day*. The *day* tile is used to decide the hand when tying with the banker's six.

noov look

this is a mooy-six

这是三手牌中次之的牌,以梅牌来评判。梅六没有地六大。

红斗

这是长六

Out of the three this is the second biggest with the hand judged on the *mooy* tile. This is a *mooy*-six, which is not as big as a *day*-six.

ona nine

this is a chong-six

这是三手牌中最弱的,称为长六,比地六和梅六都差。长牌比红头十要大,尽管长牌只有6个点,而红头十有10个点。

如果两个标准手牌点数相同,并且最强单张牌也相同,那么庄家胜,不再去对比这手牌中较弱的骨牌。有一个例外,如果你和庄家的标准手牌均为0,那么庄家胜,即便你持有两手牌中最强的单张骨牌。

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的所有文章。

This is the weakest of the three hands totalling six, and is known as a *chong*-six. This is weaker than the *day* and *mooy* sixes. Notice that the *chong* is a bigger tile than a *ping*, even though a *chong* only has 6 pips and a *ping* has 10 pips.

Remember if two standard hands total the same and have the exact same high tile, then the banker wins, irrespective of the value of the weaker tile of each hand. There is one more exception: if both you and the banker have a standard hand of zero, then the banker wins, even if you have a "higher zero" by having the highest ranked tile of the two zero hands.

# 五千五百万美元的决定

玩角子机最吸引人之处在于,按下一次按钮便有可能赢得足以改变一生的巨额彩金,然而如果机器出了故障该如何处理?

2009年10月,越南裔美国人Ly Sam来到胡志明市喜来登酒店的Palazzo Club,玩了一种名叫"地主"的角子机游戏。游戏进行时,他抬头看到机器上当前金额显示了数字555,422,567,相当于约五千五百万美元! Sam说他以为自己赢了这笔巨额彩金,于是通知了工作人员。

长话短说,这是机器故障所致。Ly Sam的投注额不足以令他赢得这笔巨奖,而且机器画面上的符号也与赢金金额不符。BMM新加坡(一家独立的博彩认证公司)证实这台角子机的确出现故障。基于投注面额仅为0.1美元,最高彩金应该在7,500美元左右。

Palazzo Club拒绝颁给 Ly Sam这笔奖金,不过提出归还 他当日投注的三千美元本金,作 为对此次错误的补偿。Ly Sam拒 绝接纳并提起了法律诉讼。显然 Palazzo Club不会认同Sam的索赔,并准备了一系列证据显示这是故障而非合法赢金。究竟法庭会偏向哪边大家都饶有兴致。

有几间酒店被授予了经营角

# The US\$55 million decision

One of the most attractive things about playing slot machines is the chance of winning a life-changing sum of money in a single press of a button. But what happens when these machines malfunction?

hen you consider the huge multi-linked jackpots on slot machines, even high rollers like The Dragon can blush at the enormous amounts of money up for grabs. But what happens if there is a major machine malfunction and the casino's world comes crashing down?

You might say the house deserves what it gets, but it's not that simple and a major malfunction can create shock waves that impinge on players' abilities to partake in forms of gaming they enjoy.

In October 2009, Ly Sam, a Vietnamese-American, visited the Palazzo Club at the Sheraton Hotel in Ho Chi Minh City and played a game entitled "The Landlord". Upon playing the slot machine, Ly Sam looked up and saw the number "555,422,567" appearing on the machine's credit meter, which equated to just over US\$55 million! Sam says he thought he had won this huge amount and informed the staff of his "win".

To cut a long story short the machine had malfunctioned. The amount that Ly Sam had wagered was not enough to win such a massive windfall and the symbols shown on the machine didn't even amount to a high payout. BMM Singapore, an independent gaming-testing laboratory, verified that the slot machine in question had indeed malfunctioned. Given the bet denomination of ten cents, the maximum possible prize should have been around US\$7,500.

The Palazzo Club denied Ly Sam the US\$55 million and offered to refund him the US\$3,000 he had bet that day, as a "make good" for the mix up. Ly Sam refused and filed a lawsuit. The Palazzo Club is disputing

Sam's claim and with a long list of supporting evidence that this was a malfunction and not a legitimate win it's going to be interesting to see in whose favor the courts rule.

For many years, Vietnam has been toying with the idea of expanding its casino market. The Vietnamese government has been paying a great deal of attention to Singapore's burgeoning casino industry and is keen to borrow ideas on how this could be done in Vietnam. Prior to 2003, gambling of any kind was illegal in Vietnam, with the exception of the state-run lottery. Since then, the government has allowed a few hotels and resorts to run small-scale casinos as "entertainment centers", catering to foreigners only.

A few hotels have been granted licenses to operate slots and electronic betting games. Vietnam's finance minister, Vuong Dinh Hue, sees casinos as a revenue generator, and for obvious reasons. The casino industry helps to promote tourism, which in turn brings muchneeded foreign capital to the country. Asian Coast Development, a Canadian company, is building two large casino resorts near Ho Chi Minh City. The company also has plans to construct five Las Vegas-style integrated resorts and two entertainment centers in the city. Asian Coast Development has already invested US\$4.2 billion and its first facility, the MGM Grand project at Hồ Tràm, is slated to open in 2013 with 541 hotel rooms, 90 tables and around 500 slot machines.

拉斯维加斯金沙也渴望涉足越南萌芽中的娱乐场业。 他们计划投资60亿美元在胡志明市和河内修建博彩城。很 明显,很多公司将越南看作是一片打造博彩事业的沃土。

然而,一旦法庭作出偏向Ly Sam的裁定,越南有效发展娱乐场业的计划恐怕要遭挫败了。这个案子由于牵涉的金额巨大而在国内外引起了诸多关注。如果Ly Sam获得这笔巨奖,那么你可以看出为什么当前及未来的投资者们会三思而后行了。

在世界其它地区,角子机出现故障的状况非常少见,法庭在这种情况下也十分犹豫颁发"赢金"。在2000年美国一个角子机故障案中,内华达州高级法院赞成内华达州博彩管理局拒绝为Cengiz Sengel颁发他在Silver Legacy娱乐场获得的170万美元奖金的决定。2002年一个类似事件中,密西西比州高级法院维护了图尼卡郡法院拒绝给予Brenda Pickle在Sam's Town娱乐场获得的470万美元奖金的决定。同样在2007年,澳门博彩监管机构也否定了一位女玩客在星际的550万美元"赢金"。

在此事件中值得担忧的是,越南法制体系中还不存在 有关博彩案件的详细法律条文来遵循。这在越南基本是一 个判例案,无论何时揭晓,都有可能出现奇怪的决定。娱 乐场应该不遗余力地确保避免此类事件发生并负有法律责 任,然而机器故障(与人工错误一样)确实会偶尔发生。 如果整个行业因为这件看起来相对简单的角子机故障事件 而被置于险境,将是令人痛心的。

WGM将此看作是一个不幸的事件,但希望理智能占得上风,越南法庭可以拒绝这笔索赔,令越南博彩业得以继续发展。፟፟፟፟

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的所有文章。

Las Vegas Sands is also eager to partake in Vietnam's budding casino industry. The company plans to invest US\$6 billion in gaming complexes located in Ho Chi Minh City and Hanoi. Clearly, many companies see Vietnam as fertile ground in which to establish their gaming businesses.

However, Vietnam's plan to effectively develop its casino industry will be thwarted if its courts rule in favor of Ly Sam. This present case has attracted much attention both domestically and abroad because of the large amount involved. If Ly Sam is awarded the payment then you could see why current and future investors would be very hesitant to invest in the industry in Vietnam.

In other parts of the world, circumstances where slot machines have malfunctioned are rare and the courts are reluctant to award amounts "won" in such circumstances. In a malfunctioning slot machine case in the US in 2000, Nevada's Supreme Court upheld the Nevada Gaming Board's decision rejecting Cengiz Sengel's claim to a US\$1.7 million win at Silver Legacy Casino. In another similar case in 2002, Mississippi's Supreme Court upheld the Tunica County Court's decision rejecting Brenda Pickle's claim to US\$4.7 million at Sam's Town Casino. Similarly in 2007, the Macau gaming regulator rejected a woman's claim to US\$5.5 million at StarWorld.

The concerning thing in this case is that the Vietnamese court system does not have a long list of gaming related case law to rule from. This is very much a test case in the country and whenever this happens strange decisions can result. Casinos owe a duty of care to their patrons and they should be legally responsible for making sure they go to great lengths to prevent this sort of thing from happening. But malfunctions (just like human error) do happen on occasion and it would be a tragedy to see an entire industry put in jeopardy for what appears to be a relatively simple slot machine malfunction.

We here at WGM see the Ly Sam case as an unfortunate incident but hopefully sanity will prevail, and the Vietnamese courts will reject the claim, allowing the Vietnamese gaming industry to continue to grow.

# THE BIRTHOUSE OF BUNGY

提起澳门的地标性建筑,葡京和新葡京便会映入脑海,象征着澳门的博彩文化。然而,主宰澳门天际线的却是澳门旅游塔,而它又与极限冒险文化紧密相连。

某前新西兰木匠极有远见的创意点燃了一种正在亚洲日益流行的趋势,并成为澳门最大地标一澳门旅游塔的代名词。然而,令蹦极这项极限运动得到普及的却是另一座高塔,这座塔位于巴黎。

你也许认为我如此建议一定是疯了,然而对哈克特(Alan John Hackett)来说,25年前他从埃菲尔铁塔二层的信念一跃却在全世界点燃了对这项运动的激情,而哈克特也成为蹦极的代名词。

"我认为[法国警察]是非常合理的人。 我确定他们会将此看作是对巴黎人、法国人 乃至全世界人民的鼓舞,"哈克特被捕时这样 说。事实证明他是正确的,十分钟后便被释 放。蹦极现象开始了。 When you think of Macau's iconic landmarks the Lisboa and Grand Lisboa spring to mind and are irrevocably tied to Macau's gaming culture. However, the one that dominates the skyline is Macau Tower, which is closely tied to an adventurous culture of the physical kind.

The visionary inventiveness of a former New Zealand carpenter sparked off a trend that is becoming increasingly popular in Asia and has become synonymous with Macau's most iconic landmark, Macau Tower. However, it was an entirely different tower that gave birth to the popularity of one of the world's more extreme adventure activities, and that one is found in Paris.

Ah yes, the Eiffel Tower. The structure alone sparks romantic images of couples walking through the park, delicious French cuisine and forward fashion thinking. But have you ever thought about how much fun it would be to jump off it?

You may think we are crazy for suggesting this, but for Alan John Hackett, his leap of faith off the second floor of the Eiffel Tower 25 years ago was what sparked this thrill-seeking movement across the world and made the AJ Hackett name synonymous with bungy jumping.

"I think [the French police are] really quite reasonable people and I'm sure they'll see it as an inspiration for the people of Paris and France and the world," said AJ as he was getting arrested. And he was right. AJ was released 10 minutes later and the bungy phenomenon had begun.

哈克特说,"那是令人惊叹的标志性一跳,但最令我感到骄傲的是,它改变了人们有关个人挑战的想法。我们驯服工作看起来疯狂的事情"

AJ Hackett, "It was an amazing, iconic jump, but I'm most proud of the fact that we changed the way people think about personal challenge. I love that we took something that's clearly bloody mad and tamed it."

单从技术层面,这种用绳子 系住人们脚踝的疯狂蹦极跳行为存 在已久。它实际上与瓦努阿图五旬 节岛上一种古老的部落仪式相似。 几百年来,村民们维持着从用树木 和藤蔓扎成的高塔上俯冲而下的习 俗, 脚踝系上藤蔓。五六月间, 部 落的男性会跳下来, 试图用头触地 以肥沃土壤。这是用来确保洋芋的 丰收,并作为年轻男子的成年礼。 哈克特曾到访这里观摩这一奇特的 仪式,并资助他们购买土地,还将 部落成员带到澳大利亚,欣赏并尝 试这一古老仪式的现代版本。

埃菲尔铁塔一跳制造了大量媒 体炒作,哈克特决定推广这项极限 运动, 在世界各地 (澳大利亚、巴厘 岛、法国、德国、新西兰、俄罗斯以 及澳门) 找到了蹦极地点。这位木匠 出身的冒险家成了企业家, 现在与世 其徘徊在边缘,不如勇敢地跳下!

界250多万各行各业的人分享了这份 激情。

澳门旅游塔这个蹦极地点非常 有趣,它将两位梦想家绑在了一起。 何超琼看到了澳门博彩和成人娱乐 之外的潜力。"这个概念是为了推动 澳门发展…改变它作为单纯赌城的形 象,"哈克特回忆道。他和自己的团 队被引进澳门,为澳门旅游塔开发新 的活动项目。他们首先引入了"百步 登天",身体强健的冒险家可以从侧面 攀爬到塔顶;然后是"空中漫步", 你可以栓上一根安全线在塔顶外环的 步道行走。不过何超琼想要蹦极,哈 克特认为这是再好不过的主意。

如今, 澳门旅游塔的哈克特蹦 极跳被世界吉尼斯记录认为是世界 之最, 高达233米。"现在还有更多项 目,冒险旅游业一定会成为澳门一个 大的组成部分,"哈克特说。

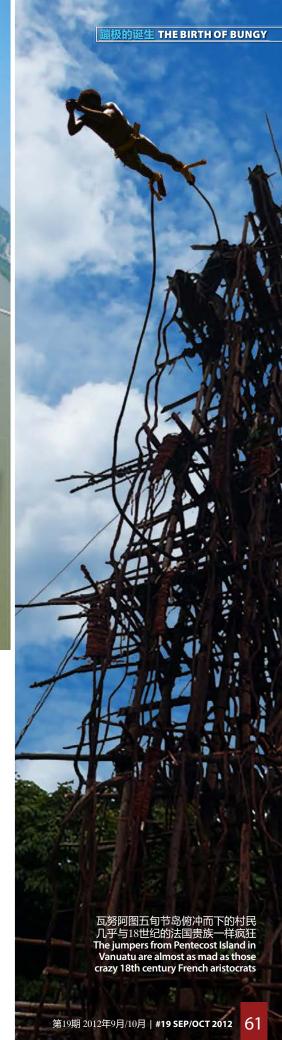

Technically this kind of crazy jumping with a rope tied to one's ankles began much, much earlier. Bungy (or, if you prefer, bungee) is actually very similar to an ancient tribal ritual from a small village on Pentecost Island in Vanuatu. For centuries, the villagers have been jumping off towers made from trees with vines tied to their ankles. During the months of May and June, males of the tribe jump trying to touch the ground with their heads to fertilize the soil. This is meant to ensure a fruitful yam harvest and acts as a passage into manhood. AJ has visited the village and been a spectator to this amazing ritual. AJ has also contributed financially to this village helping them buy land and bringing members of the tribe to Australia to view and try the modern day version of their ancient ritual.

Since the Eiffel Tower jump generated such huge media hype, AJ decided to popularize this extreme sport of bungy jumping and has founded bungy sites around the world in Australia, Bali, France, Germany, New Zealand, Russia and our home, Macau. A carpenter

by trade, this adventure athlete turned entrepreneur has now shared his passion with over 2.5 million clients from all walks of life.

The Macau Tower site is quite interesting because it brought two visionaries together. Pansy Ho saw the potential in Macau beyond gaming and adult entertainment. "The concept was to stimulate Macau ... change the image from it being a gambling city," AJ recalls. AJ and his team were brought in to develop new activities for the tower. They first introduced the Mast Climb, where physically fit adventurers can scale the side of the Macau Tower. Then came the Skywalk, where you can walk on the outer perimeter of the upper deck, while tethered to a safety line. But Pansy Ho wanted bungy and AJ thought that was just brilliant.

Today, the AJ Hackett bungy jump at Macau Tower is recognized by Guinness World Records as the world's highest at 233 meters. "And now there are many more offerings and adventure tourism must become a big part of Macau," said AJ.

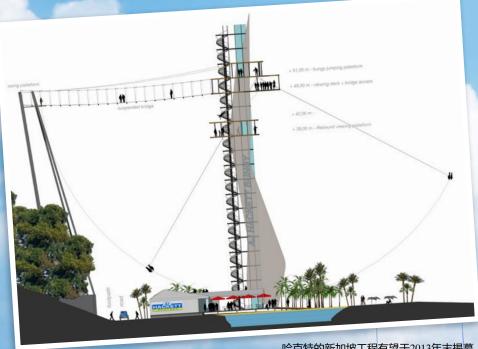

蹦极跳是由一群朋友开启的冒险活动,被西方人推广,如今开始在东方受到欢迎。澳门旅游塔总理飞品了。 澳门旅游塔总理 Charlie Bassett解释说,"中国市场在逐年递增。[中国人]无所畏惧,实际上,他们通常一点都很感兴起,各种人对我们做的事都很感兴起,各个人对我们做的事都很感兴力之不知。" 《"蹦极跳者》,香港占8%,澳门的强大。" 为"人都是中国人…[这]还不包的报客人都是中国人…[这]还不包的游话的报或马来西亚华人。世界各地的中国人都跃跃欲试。他们出行通常是为了享受一种不同的体验。"

正如哈克特所说,"蹦极是人的自我挑战。它如此简单和基本···多数人都会恐高。蹦极时,做决定跳下的是自己,是一种个人挑战,与科技无关,一切在你脑中····你不需要是大块头的肌肉男,完全可以是身材瘦削的女士。都在你的脑中,你要决定信任工作人员,并相信自己的能力,突破自己的极限。"

哈克特的团队有望在2013年年底 震撼新加坡,为一个50米高塔揭幕,提 供蹦极跳和蹦极荡。该新址还将设有酒吧、餐厅、时装秀、"空中漫步"产品以 及一个小型吊桥。

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的 所有文章。

哈克特的新加坡工程有望于2013年末揭幕 AJ Hackett's Singapore project is expected to open in late 2013

Bungy jumping is an adventurous activity started by friends, popularized by Westerners and now embraced in the East. Charlie Bassett, Macau Tower's General Manager, explains that the "PRC market is gradually growing each year. [The Chinese are] fearless, and in fact, they normally do not hesitate much at all. Both clients and passersby are genuinely interested in what we do, especially around Chinese New Year ... In 2011 ... PRC accounted for 10 percent of [our bungy jumpers], Hong Kong was 8 percent, Macau was 3 percent, and Taiwan was 11 percent, which adds up to a third of our jumpers being Chinese ... [this] doesn't include Singaporean or Malaysian Chinese, so Chinese from all over are keen to try. They generally are out to enjoy the experience and have a good time."

As AJ puts it, "Bungy is about people challenging themselves. It is so simple and so basic ... the majority of human beings have a fear of height. With bungy, what happens is people actually make the decision themselves to jump, so it's a personal challenge, nothing to do with technology, it's in your mind ... you don't have to be a big muscle man, you can be a petite little old lady and jump. It's all in your head, you just gonna make the decision to trust people that you are working with. And also trust your own ability, to push your limits a bit further."

It is expected the AJ Hackett team will be jolting the hearts of Singaporeans towards the end of 2013 when the company opens a 50-meter-high tower that offers both a bungy jump and bungy swing. This new site will have a bar, restaurant, catwalk shows, skywalk products and a small suspension bridge.

某些老派扑克选手会认为,即便是在桌边放杯饮料都是对游戏的亵渎。他们认为扑克桌应该配有座椅、筹码、扑克牌、一位荷官和一些选手,别无其它。尽管我理解他们为什么有这种想法,但那个时代早已远去。

在扑克桌边听音乐已改变了这个游戏的面貌,选手们可以用它来娱乐自己或减少外界干扰。很难说这是否是好现象。无论做什么,底线是不能影响比赛速度。如果有人不断忽视扑克桌上的行动,而让严官重复状况,这必定激起群愤。每位选手官重复状况,这必定激起群愤。每位选手都有责任跟上游戏节奏。等待某人中等之上摆弄音乐与在一场低注额游戏中决定是位白痴选手在套入底池时花五分钟决定是否全押是一样的煎熬。

如果人们不滥用听音乐的举动,那么也无可厚非。有些锦标赛(比如WSOP)会声明原则,一旦进入钱圈阶段,选手便不可以听音乐。有些人不喜欢这个规则,但

我认为在比赛进入严肃阶段后让选手更加 集中注意力不无道理。

主要问题是很多音乐播放器同时也 是照相机、电话、笔记本及迷你电脑,为 用户提供了一系列可能减缓比赛速度的功 能,比如电子书、游戏、社交网络及上网 等。只要扑克室经理们掌控好局面并监控 这些播放器的使用,我认为没什么问题。

听音乐会影响比赛吗?很明显会。任何扑克手会最先强调的一件事就是对周围环境的洞察与掌控。听音乐后必定会为比赛静音,从而降低你阅读对手的能力。毕竟,听觉是最有价值的感官之一,有时你确实需要将耳朵打开。

话虽如此,也会有听音乐的好处大过 弊端的时候。这便回到了扑克选手各不相 同这一论调上。对大多数人来说,扑克是 种消遣、嗜好或激情,但对有些人来说, 它又是一个谋生的途径。音乐可以帮助打 持久战的选手保持清醒及锐利的思维,最 重要的是,防止他们作出愚蠢的决定。

Headphones at the poker table have become the quintessential poker accessory, but is this a good thing for the game?

here are some from the old school of poker who believe that even a drink sitting on the side of the table is sacrilegious. They believe a poker table should have seats, chips, cards, a dealer, some players and nothing else. While I can see where they are coming from those days are long gone.

The ability to listen to music at the tables has changed the game of poker, allowing players to keep themselves entertained or drown out distractions. It is hard to say whether this is a good or bad thing. The one thing it should never do is slow down the game. Someone who regularly fails to pay attention to the action at a poker table, and who is constantly asking for a dealer clarification because they didn't hear an opponent announce "raise" is annoying for everyone. It should be the responsibility of every player to keep up with the pace of the game. Waiting for someone to fiddle around with the music on their smart phone is almost as painful as waiting for five minutes while some idiot decides whether to call all-in when pot committed for his few remaining chips mid-way through a low stakes tournament.

If people don't abuse the luxury of being able to listen to music then it should be allowed. Some tournaments like the WSOP have a policy that you can't listen to music once the tournament hits the money stage. Some people don't like this rule, but I don't think it's unfair to ask players to concentrate a little harder when things heat up at the business end of a tournament.

The main problem is the fact that many music-playing devices are also cameras, phones, notebooks and minicomputers offering users a host of gameslowing distractions like ebooks, games, social networking tools and internet access. As long as poker room managers keep on top of the situation and monitor the usage of such devices I don't see any problem.

Does listening to music affect your game? The answer to this is an obvious yes. The first thing any poker player will stress is the importance of being aware of your environment. The absence of the sounds of the game lessens your ability to read your opponents well. After all, hearing is one of your most valuable senses and there are times when you should keep your ears open.

Having said this, there are times where the benefits of music outweigh the negatives. This comes back to the point that poker players are all different and what works for Peter doesn't necessary work for Paul. Poker for most people is a pastime, hobby or passion but for others it is a nothing more than a moneymaking exercise. Music can offer sanity for grinders spending countless hours at the poker table. It can keep them sharp and most importantly stop them from making stupid mistakes.

我在比赛中常戴耳机,并会遵循一定的套路。在比赛开始时 我喜欢听舒缓的音乐助我适应环境。我对周边环境时刻保持警 惕,一旦需要用到听觉,会随时将音乐关掉。

比赛中我选择的音乐种类繁多,用不同的音乐来配合我当时的玩牌风格。如果是一场持久的比赛,我有很多筹码,并且桌上有一两位疯狂的选手,那么我就采取等待态度,听一些悠闲的音

乐。如果桌上局势紧张,筹码开始缩减,并且到了加大马力的时候, 那么我会听一些摇滚或现代电子乐令自己绷紧神经。

不是每个人都会将自己的音乐播放列表分类到我这个地步,不过对于在扑克桌上如何以及为何听音乐,你还是小心为妙。 任何可能改进或干扰比赛的细节都值得注意。所有优秀扑克选手都在试图找出最有效的比赛风格。

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的所有文章。

I wear headphones a lot in tournaments. For me tournaments are all about routine and I find at the start of a tournament I like to listen to relaxing music to help me acclimatize to the surroundings. I am very conscious about my playing environment and I can always turn the music off if I need to listen to what is happening.

I also have a wide variety of music on offer and pick and choose my tracks to suit the style of play I am adopting at any particular time. If I am playing a very long tournament, have plenty of chips and there are a couple of crazy players on my table then I am playing a waiting game and listen to some chilled out tunes. If, on the other hand, things are starting to tighten up on the table, I am

getting short on chips and I judge the time is right to move up a gear then I tend to listen to some thumping rock or fast techno to get the blood pumping.

Not everyone is going to dissect their playlists to the point I do, but you should be mindful of how and why you listen to music at a poker table. Anything that improves or detracts from your game is relevant and all good poker players are trying to get the best out of their game.

Visit our website www.wgm8.com to read and comment on every article ever published by World Gaming.

# 喜欢与否:扑克桌边其它一些令人蹙眉的行为LOVE 'EM OR HATE 'EM: OTHER PET HATES AT THE TABLES

太阳镜:在耳机热之前,扑克赛中的太阳镜是一个热门话题。有段时间扑克赛中几乎一半选手都佩戴太阳镜。职业选手丹尼尔·内格里诺(Daniel Negreanu)认为该举动给了选手不公平的优势。我认为每个人偏好不同,如果他认为这是优势,不妨也戴上一副。

**SUNGLASSES:** The use of sunglasses was a hot topic on the poker table prior to the headphone revolution. There was a stage where every second player in tournaments wore sunglasses. Daniel Negreanu was one pro that said he thought sunglasses gave players an unfair advantage. Again I think that it's each to their own and if Daniel thought they were an advantage then he should have bought himself a pair.

连帽衫:"隐形炸弹人"菲尔·拉克(Phil Laak)是第一位用连帽衫作为武器的选手。连帽衫就是带有帽子的上衣,可以遮住脑袋。选手们将这个概念延伸,开始在其他选手试图阅读他时遮住自己整张脸。我希望扑克赛可以制定一些着装要求,但恐怕赞同的人寥寥无几。如果你想像菲尔·拉克一样藏起自己的脸,也不要顾虑,尽管这样的装扮的确令他们看起来像低能儿。

**HOODIES:** The Unabomber Phil Laak was the first person to make a poker tactic out of wearing a hoodie. For those of you not in the know, a hoodie is a jumper with a hood that can cover your head. Players then extended this concept and started covering their entire faces when other players were trying to read them. I wish dress standards applied at poker tables, but I am in the minority. If people like Phil Laak want to cover up their faces then best of luck to them, even if it does make them look like a total imbecile.

按摩:按摩出现在扑克赛场已成为惯例。按摩师们自然皆大欢喜。个人而言,我在按摩时希望可以完全放松,但每个人喜好不同。只有在桌边空间有限时我才会抱怨。我可不想为了某位大块头想要舒展筋骨而委屈自己!

MASSAGES: Masseuses plying their trade at major poker tournaments have become the norm. Those that dish out the back rubs must love this development so good luck to them. Personally, I prefer to be totally relaxed when getting a massage, but that's just me. My only gripe is if there is limited room at the table. I don't want to sacrifice my comfort for some other fat idiot to sprawl themselves out and start grunting and groaning while getting a rub down!

食物:这点一直颇有争议。很多扑克室都有 (至少过去有过)无食物政策。不过现在越来 越少见。很多人在扑克桌边打持久战,吃饭 就在所难免。我喜欢离开扑克桌半小时解决吃 饭问题,不过这也纯属个人偏好。只要选手不 将炒饭洒在桌上,不将汉堡的油渍留在牌上, 或减缓比赛速度,那么也未尝不可。

FOOD: This often causes controversy. Many card rooms have, or at least had, a no food policy. However, this is becoming rarer. People have to eat and many players do lengthy stints at the table. I prefer to take half an hour away from the table to chill out and relax when I am having a feed, but once again this is merely personal preference. As long as a player doesn't spill his fried rice on the table, get burger grease on the cards or slow the game down then best of luck to them.

# **Asian Gaming & Hospitality Congress**

27-28 November 2012, Galaxy Macau

# Beyond the Casino - Preparing for the future of gaming and entertainment in Asia

**SAVE USD200** 

# **DAY ONE (TUESDAY 27 NOVEMBER):**

Macro to micro economic predictions, future directions for gaming legislation and country-focused discussions and updates

# **DAY TWO (WEDNESDAY 28 NOVEMBER):**

Hottest marketing trends and technologies for gaming, hospitality and casino operations

# The conference will offer you the opportunity to:

- Understand the economic outlook and predictions for Asia and the potential of growing markets
- ◆ Examine factors affecting investors' appetite and operators' ability to raise project funds
- Gain practical marketing solutions to market segmentation and targeting VIPs and mass market customers
- Learn tourism and international travel trends and how MICE interacts with the gaming industry to attract international visitors
- Get up to speed with the regulatory updates and their impact on licensing, marketing and business operations
- Explore new project developments and opportunities in Macau, Taiwan, Philippines, Vietnam, Japan, Cambodia and Russia
- ◆ Compare gaming strategies for increasing popularity and table yield
- Uncover next generation digital technologies for enabling interactivity
- ◆ Network with over 150 leading gaming professionals across Asia

有关网球史上最伟大球员排名的争论风行已久。WGM的常驻体育大师"大詹"决定来做这个艰难的筛选,选出他眼中的历史十强网球运动员。

作者:詹一帆 by James Potter

但凡说起"历史十强"这个话题,最困难之处莫过于将不同时期的运动员拿来对比。尽管难度颇高,也并非不可以做到。这样一份榜单无所谓正确与否,不过要想有可信度,首先必须标准明确。在网球运动中,大满贯赛事意义非凡,如果能在不同球场表面的大满贯赛事中胜出也会大大加分。男子网球赛各个时期的竞争难度不加分。男子网球赛各个时期的竞争难度不同,因此竞争最激烈时期的大满贯头衔就份量更重一些。艰难的筛选和抉择最终还是要做。我希望你能喜欢我的推理,并欢迎大家质疑我的榜单。

The argument about tennis' greatest players has raged for some time so *WGM's* very own sporting guru Big Jim decided to make the hard calls and come up with his top 10 racket exponents of all time.

henever you start talking "greatest ever" lists the biggest problem lies in comparing players from different eras. Whilst this does make it tough I don't think it makes it impossible. There is no right or wrong decision when it comes to creating a list like this, but for any list to have credibility the selection criteria must be clear. In tennis, major championships are very important and the ability to win majors on different surfaces is also a big plus. There have been periods in men's tennis where the competition has been harder than other eras, so championships during the highly competitive times hold more weight. Eventually you have to make the hard calls and stick by them. I hope you enjoy my reasoning and I welcome any of you to challenge my list.

显然排在第一名的是经受住了时间考验的费德勒。首先他赢得了最 多数目的大满贯头衔。在纳达尔和德约科维奇崛起之前,男子网球 竞争的确处在最弱阶段,但大满贯头衔也不是随意分发,"瑞士特 快车"费德勒仍要通过艰苦作战获得。若想成为真正伟大的球员, 你必须在所有球场表面上都表现出色。费德勒赢过红土场上的法网 公开赛,然后在职业生涯接近尾声时以飞扬跋扈之势在温网公开 赛(唯一仍在草地上展开的大满贯赛事)捧杯。他不仅拥有备受 珍爱的法网头衔,在2012年温网上的表现再次证明了他是有史 以来最伟大的球员。

# COUNTRY: SWITZERLAND GRAND SLAMS: 17\*

Clearly number one, quite simply Federer is an awesome force who has stood the test of time. He has won the most Grand Slam titles, which is an excellent start. It is true that before Nadal and Djokovic came to prominence men's tennis was at its weakest, but it's not like they just give away Grand Slam titles and the "Fed Express" still had to win them the hard way. To be classed as truly great you need to perform well on all surfaces. Federer won the premier clay court tournament, the French Open, and has come back towards the end of his career to win another Grand Slam in dominating fashion, taking down the only major still played on grass, Wimbledon. He has his cherished French Open title and his performance in winning the 2012 Wimbledon title proved once and for all that he is the best there has ever been.

大满**世头衔: 14** 在费德勒出现并夺走皇冠之前,桑普拉 斯占据着网坛的巅峰地位。他最值得叫 好的是在一个异常艰难的时代脱颖而 出,其中一些残酷无情的竞争对手包括 约翰•麦肯罗、安德烈•阿加西、斯蒂 芬•埃德伯格和伊万•伦德尔等。他的 问题在于从未赢过法网, 最好的成绩是 1996年进入四分之一决赛,输给最终的 赢家俄罗斯名将耶夫格尼•卡费尔尼科 夫。桑普拉斯不仅没赢过法网,并且那 个年代还不需要面对几乎十年无人能敌 的纳达尔。他的球风也许沉闷乏味,但 技术出众全面。很可惜我们再也看不到 他在状态最佳时与费德勒对决了,一定 令人拍手叫绝。

# **COUNTRY: UNITED STATES GRAND SLAMS: 14**

Pete was the best until Roger came to town and took his crown away. The big thing going for Pete was that he played in a very tough era. His unforgiving competition included high-caliber players like John McEnroe, Andre Agassi, Stephan Edberg and Ivan LendI to name but a few. The problem Pete had was the fact he never managed to win the French Open, his best result being a 1996 quarterfinal finish after losing to eventual winner, Russia's Yevgeny Kafelnikov. Not only did Sampras never win the French, he didn't have to compete against Nadal, who was basically unbeatable on clay for a decade. Pete may have had a personality bypass but he had an incredible all-round game. It's a shame we never got to see him at his best against Federer, which would have been great to have witnessed.

# 国家:澳大利亚

"火箭"罗德•拉沃是唯一在公开赛年 代单赛季内完成大满贯的男子网球球 员,也就是说他在同一年包揽了四项大 满贯赛事。更引人瞩目的是拉沃两次实 现包揽,一次在1962年作为业余选手, 再次是1969年作为职业选手。在任何时 代,这都是了不起的成就,还没有人能 重新演绎。尽管澳大利亚人罗伊•爱默 生在同时代多赢了一个大满贯头衔,网 球专家普遍认为拉沃是费德勒和桑普拉 斯之前最伟大的球员。如今澳大利亚网 球公开赛的场馆也以他的名字命名。

## **COUNTRY: AUSTRALIA GRAND SLAMS: 11**

"Rocket" Rod Laver is the only male tennis player to win the Grand Slam during the open era. This means he won all four Grand Slam tournaments in the same year. Wha makes this all the more impressive is tha Laver accomplished this awesome feat twice, once as an amateur in 1962 and then again in 1969 as a professional. Regardless of the era, this is an incredible achievement and one that has yet to be repeated. Even though countryman Roy Emerson won one more Grand Slam title in the same era, it is commonly accepted by tennis experts that Laver was the best tennis player before Federer and Sampras. He is honored today by having the center court at the Australian Open named after him.

# 拉菲尔·纳达尔

纳达尔是一台机器。他的勇猛、不服输的倔 强以及对痛苦的耐受力也许在任何体育项目 中都无人能及,更不用说网球。毫无疑问,纳达尔是历史上最优秀的红土球员,过去八 年里成就了法网"七冠王"。目前排名世界 第三的纳达尔也曾两次温网折桂,囊中还收 有澳网和美网头衔,并且是2008年奥运会金 牌得主。人们不禁想问,如果不是纳达尔的 存在,费德勒还可以多拿多少头衔?这个问 题也可以反过来问,尤其是现在观众已见识 了纳达尔的十八般武艺。

## **COUNTRY: SPAIN GRAND SLAMS: 11\***

Rafa is a machine. His bravery, refusal to accept defeat and tolerance to pain may be unmatched in any sport, let alone tennis. With seven French Open Grand Slam victories in the last eight years, Nadal is the greatest ever clay court player, without question. Currently ranked world number three he has also been crowned Wimbledon champion twice and has both Australian and US Open Grand Slam titles in his war chest, in addition to a 2008 Olympic gold medal. People wonder how many Grand Slams Federer may have won if Nadal wasn't around. The same question applies the other way around, especially now that Rafa has proven he is no one-trick pony.

#### 国家:美国 大满贯头衔:8

如果说桑普拉斯是历史上最无趣的网球球员,那么阿加西就是最龙飞风舞的那位。他是从上世纪90年代早期至本世纪前十年中期统治网坛的球员之一。网球职业生涯开始时,阿加西看起来如同一个魅力四射的摇滚乐队的主唱,之后以海盗形象出场,最终演变成一位谦和得体、备受追捧的球员。他是历史上收集了四大满贯头衔(职业大满贯)的四位球员之一,也是前奥运会金牌得主(1996年亚特兰大夏季奥运会)。阿加西也曾因伤病问题经历跌宕起伏,媒体对他既用蜜糖也用棍棒,尤其在他于2009年出自传承认当年曾使用甲基苯丙胺(冰毒)后。网坛需要更多的阿加西出现。

#### COUNTRY: UNITED STATES GRAND SLAMS: 8

If Pete Sampras is the most boring tennis player to ever live then Andrei Agassi is the most flamboyant. One of the game's most dominant players for over a decade from the early '90s to the mid 2000s, Andrei started off his professional career looking like the lead singer of a glam rock band, transformed into a pirate and ended up a very humble, quiet character loved by everyone. He is one of only four male tennis players to have won every Grand Slam title (the Career Grand Slam), which is an incredible effort. Another former Olympic gold medalist, Agassi emerged triumphant at the 1996 Atlanta Summer Games. Agassi also had his ups and downs with injury and was hounded by both positive and negative media, especially after he admitted methamphetamine (crystal meth) usage in his 2009 autobiography *Open*. Tennis needs more Aggasis.

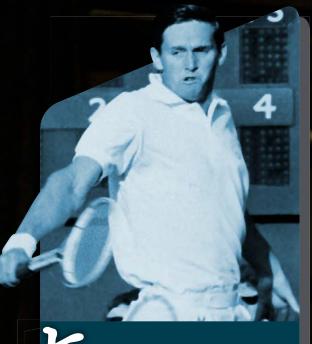

#### 国家:瑞典 大满贯头衔: 11

这位伟大的瑞典球员是最勉强列入榜单的球员之一。他在巅峰状态时完全主主欧洲网坛,但似乎对另外两项大满贯像网和美网)兴趣不浓。然而,博格依然被认为是网球史上最伟大的球员之一。他是曾在同一赛季拿下法网和温网的四位球员之一,也是唯一连续三年创下此佳绩的球员。他在红土和草地上的主宰表明了他应该可以赢得更多头衔。人们将永远记住博格对温网的主宰、飘逸的长发以及浅浅的胡茬。

#### **COUNTRY: SWEDEN GRAND SLAMS: 11**

The great Swede is one of the hardest to slip into this list. He totally dominated tennis in Europe at his peak but seemed to have no interest in the other two Slams (Australia and the US). However, Borg is still widely regarded by many to be one of the greatest tennis players of all time. Borg is one of only four players in the open era to win both Wimbledon and the French Open in the same year, and is the only player to accomplish this feat for three consecutive years. His dominance on clay and grass suggests he could have won many more titles. Borg will always be remembered for his total dominance at Wimbledon, his long flowing hair and three-day stubble.

- \*表示该球员为现役球员
- \* denotes the player is still playing professionally

#### 罗伊・爱默生 ROY EMERSON

#### 国家:澳大利亚 大满贯头衔:12

在某种程度上,爱默生成了被人们遗忘的澳大利亚网球球员。这也许和他大半生都居住美国有关。爱默生还以自己在美国的网球训练营和训练设施(被认为是世界一流)闻名。他应该永远作为澳大利亚的体育标志性人物被人们记住,曾于1959至1967年协助澳大利亚勇夺八次戴维斯杯。他在球场上的真战成就毋庸置疑,揽下12个大满贯头衔。直到桑普拉斯几十年后出现之前这都是一个不可逾越的基准。他还是一位出色的双打队员,积累了16尊大满贯奖杯。28个大满贯头衔的成绩很可能永远不会被超越。

#### COUNTRY: AUSTRALIA GRAND SLAMS: 12

In some ways Roy Emerson is the forgotten man of Australian tennis. This may have something to do with the fact he has called the US home for most of his life. He has also become well known for his tennis camps and training facilities in the US, which are considered some of the best in the world. Emerson should always be remembered as an Australian sporting icon and was a member of a record eight Davis Cup winning teams between 1959 and 1967. His achievements on the court can never be doubted. He amassed 12 Grand Slam titles, which was the benchmark until Sampras came along decades later. He was also an incredible doubles player and accumulated no less than a further 16 Grand Slam titles there. Emerson's figure of 28 overall Grand Slam titles may well never be beaten.

#### 国家:美国 大满贯头衔:8

另一位前世界第一康纳斯极富个性色 彩,尤其在美网的乡亲父老面前,在美 国深受爱戴。康纳斯主场作战时总是状 态最佳,职业生涯8项大满贯中有5项都 在美网中夺得。他是唯一在美网的草 地、红土和硬地上夺冠的球员。尽管康 纳斯收进8个大满贯头衔,包括两顶温网 桂冠, 却从未在法网胜出, 因此未能圆 满完成职业大满贯。两次温网头衔稳固 了他在这个榜单中的地位。

#### **COUNTRY: UNITED STATES GRAND SLAMS: 8**

Another former world number one, Connors had plenty of passion and character especially in front of his home crowd at the US Open where he was adored. Connors was always at his best on home soil with five of his eight Grand Slam victories coming at the US Open. He is the only man to have won the US Open on grass, clay and hard courts. While Connors won an impressive eight Grand Slam titles, which included two Wimbledon victories, he never won the French Open so was unable to bag the elusive career Gland Slam. His two Wimbledon titles cemented his place on this list.

### 诺瓦克·德约科维奇

德约科维奇是另一位奥运奖牌得主,在2008年北京奥运会上摘得铜牌。他是唯一 获大满贯单打头衔的塞尔维亚球员。除此之外,他还是同一赛季中打进四场大满 贯决赛的最年轻的球员,因此我将这位塞尔维亚人排在第十,尽管他目前为止的 成绩还谈不上光彩耀人。德约科维奇唯一还未拿下的大满贯是法网。不过他还处 于势头正旺的年头,我认为可以很安全地预计,未来几年内他会在榜单上迅速攀 爬。如果不出意外,可以期待他在职业生涯中至少拿下10个大满贯头衔。早期受 到费德勒和纳达尔的压制后,他终于在过去12至18个月中开始在男子网球场上称 霸。在费德勒和纳达尔接近职业生涯尾声之际,也许还有一连串的大满贯在等待 着这位坚持不懈的球员。

#### **COUNTRY: SERBIA GRAND SLAMS: 5\***

Another former Olympic medalist, winning bronze in the 2008 Beijing Games, Djokovic is the first male Serbian tennis player to win a major singles title. In addition to this he is the youngest player in the open era to reach the semifinals of all four Grand Slam events so I am slotting the young Serbian in at number 10, even though he may not have qualified yet on performances. The only major Djokovic has yet to win is the French Open and being as he is in the prime of his playing career I think we can safely assume he will rocket up this list in the years to come. You would expect him to win at least 10 Grand Slams in his career if everything goes to plan. He has dominated men's tennis over the last 12 to 18 months and he did this after Ferderer and Nadal dominated him in his early career. With Federer and Nadal coming to the end of their careers there might be a bundle of Slams waiting for this relentless talent.

- 表示该球员为现役球员 idenotes the player is still playing professionally

如上所述: 我眼中的网坛历史十强。总会有一些球 员遗憾落选, 纽科姆、麦肯罗、埃德伯格、罗斯维 尔、维兰德及贝克尔都是多次在多种球场表面的大 满贯中胜出的球员,在这份光荣榜上占下一席之位 也都各有理由。 🔉

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的所有文章。

Well there it is: my all-time top 10. There always has to be some unlucky players that would have been honorable inclusions in any list like this. Newcomb, McEnroe, Edberg, Rosewall, Wilander and Becker are all multiple Grand Slam winners who won on more than one surface and, it could be argued, deserve a place on the top 10 list. 🎎

### 栏外痴人记事本

### The Reilbird Report fraited Report State Resulting Results of Res

在拉斯维加斯的WSOP驻守很长一段时 间后, 栏外痴人很高兴回到亚洲。在主赛 事七天赛程中观看九名决战选手从6,598 位参赛者中脱颖而出是个不寻常的体验, 对于这九位选手来说更是来之不易的卓越 成就。直至10月29日,这场扑克马拉松才 继续进行,九位选手重返沙场。三甲于10 月30日角力到底,争夺8,527,982美元的 头奖以及冠军金手链。

然而,与Big One for One Drop赢家 Antonio Esfandiari (绰号"魔术师") 的18,346,673美元巨奖相比,八百万实在 相形见绌。他成为扑克锦标赛史上职业生 涯收入最高的选手。

如果你喜欢滑雪、热辣的雪兔、熊 猫眼及滑雪后的缤纷派对, 我猜你应该没 有错过新西兰皇后镇的NZPT雪季嘉年华, 并见证了澳大利亚选手David Allan带走 110,600新西兰元奖金。

回到澳门,亚洲扑克巡回赛 (APT) 在疯狂的10号台风过后吹响号角…窗户 打落, 地坑点点, 树木卷进车子, 车 子卷进文华东方酒店…也没这么严重, 不过如果你在Facebook上看过兰博基尼 Aventador栽进文华东方的照片就应该会

"魔术师" Antonio Esfandiari Antonio "The Magician" Esfandiari

懂这个笑话。25,000港币买入的APT主赛 事吸引了268位选手迈进星际酒店。尘埃 落定后,台湾玩家Carlos Chang摘得桂 冠, 并获1,913,100港币奖金。在此还要 恭喜我们的好友及高注额游戏玩家余加 荣(Winfred Yu)在比赛中勇得亚军。

扑克之星 (PokerStars) 澳门杯扑克 冠军锦标赛 (MPCC) 将于9月7日在金都会 展中心展开。不要忘记,亚太扑克巡回赛 (APPT)和首届亚洲扑克冠军赛 (ACOP) 也蓄势从10月26日至11月11日为澳门呈上 一场超级扑克嘉年华。

欲全面了解亚洲和澳大利亚扑克手及 扑克迷关心的未来赛事及以往赛事结果, 可以登录我们的网站wgm8. com查阅"栏外 痴人扑克赛追踪"。 🎇

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的

his railbird is happy to be back in Asia after spending a great length of time in Las Vegas for the WSOP. Watching a total field of 6,598 players slowly dwindle to the final table of nine over the course of a sevenday tournament is an amazing sight to behold and an even greater herculean achievement for those Octo-Nine (yeah, not a fan of this new name). We now have to wait until October 29 to see these endurance poker pros duke it out until it's three-handed, then the final three will return on October 30 to play for the whopping US\$8,527,982 first prize and a gold bracelet for the champion.

But this cool \$8 million is dwarfed in size by Antonio "The Magician" Esfandiari's Big One for One Drop win of US\$18,346,673, making him the highest all-time money earner in tournament poker history.

If you like snowboarding, snow bunnies, raccoon eyes and après ski, then you would have flown over to Queenstown, New Zealand for the NZPT Snowfest and seen Australian David Allan swoosh in NZ\$110,600 in prize money.

Back in Macau, the Asian Poker Tour kicked off right after one of the craziest T10 typhoons in history, blowing out windows, creating pot holes, sending trees into cars and cars into the Mandarin Hotel... well, not quite, but those who saw the pictures on Facebook of the Lamborghini Aventador crash into the Mandarin Oriental will get the joke. The HK\$25,000 APT main event drew 268 entries to the StarWorld hotel and casino and after the dust settled it was Taiwan's Carlos Chang who became HK\$1,913,100 richer. Congratulations also go to our friend and Big Game player, Winfred Yu, for his impressive runner-up finish.

The PokerStars Macau Poker Cup Championship (MPCC) kicks off on September 7 at the Grand Waldo Conference and Exhibition Centre, and don't forget, the APPT and the inaugural Asia Championship of Poker (ACOP) is set for a rolled-up super-carnival of poker from October 26 to November 11.

For a complete list of upcoming tournaments and previous results of particular interest to Asian and Australian poker players and fans, check out Railbird Ronny's Tourney Tracker on our website wgm8.com.

# 天梵之非凡

野马在不断搜寻狂欢派对之地,澳门的天梵(DIVINO) 正是那种你可能撞见他的场所。

澳门商业大马路251A 至301号友邦广场2楼 www.divino-ultraclub.com +853 2872 3968 21:00至04:00营业 (星期二至星期日)

我喜欢"欢乐时光"。在很多国家,营业者们都对此忧心忡忡,尤其是那种无限量畅饮,幸好澳门没有这个问题。星期二至星期日的晚上9至11点是天难的畅饮时段,只要380葡币,一边饮下千杯美酒,一边有性感女郎以钢管舞技和聊天功夫娱乐宾客。不过不要与脱衣舞秀混淆,这是一个经典的绅士俱乐部,一个在澳门还较新颗的概念。

天梵现场杯盏交错,服务上乘。管理更为确保宾客满意所做的努力显而易见。舞者来自世界各地,台湾和东欧女郎的表演无比惊艳,技能和编舞都美得令人窒息。想象一下性感的复古脱衣舞(Burlesque)表演者,那就是天梵的写照。凌晨四点我费劲将飞鹰拽了出来,后面的私人舞区令他乐不思蜀。天梵自称为澳门首屈一指的国际表演俱乐部,这绝对无可争辩。它位于澳门中心表皇对面著名的友邦广场内。入场时,门口有热境上仪带你步入两层共八千平方英尺的一派奢华中。一流的音响和灯光营造了完美的氛围。这里还有与主舞台相望的贵宾间,其中一间甚至设有专属的电梯入口。

### DIVINE®DIVINO

The Stallion is always looking for a place to get down and party and Divino in Macau is just the sort of place you can expect to find him.

Being as I keep my ear to the ground, as soon as a new partying establishment opens its doors in Macau I'm always eager to check it out. I got onto my cell phone and rang around the boys. The Dragon and Pai Yao were out of town, I decided against calling The Phoenix and The Butterfly, but had some luck with a few others. The Panda, The Tiger and The Eagle were all looking for a big night out and they met me at Divino Macau at 9 pm sharp.

I love a happy hour. In many countries, they have been scared off the happy hour and especially the all-you-can-drink happy hours, but thankfully in Macau there is no problem with letting your hair down and enjoying yourself. Divino offers the all-you-can-drink happy hour between 9 and 11 pm Tuesdays to Sundays for just MOP\$380. While you down your bottomless drinks, the ladies will entertain you with their pole dancing skills and their conversation. Now this is no go-go or topless strip joint. It's a classy gentlemen's club, a concept new to Macau.

Our drinks were flowing and the service was excellent. It was obvious the management has taken time to ensure everyone's needs are well taken care of. The dancers come from all over the world and the ladies from Taiwan and Eastern Europe really blew my mane back. Their expertise and routines are simply breathtaking. Think of sexy, burlesque performers and that's Divino. I struggled to drag The Eagle out at 4 am the next morning as he claimed he never wanted to leave the back private dance area.

#### **DIVINO** 2/F, AIA Tower, 251A-301

Avenida Comercial De Macau, Macau www.divino-ultraclub.com Telephone +853 2872 3968 Open 21:00 to 04:00 Tuesdays to Sundays

#### 天梵之非凡体验 DIVINE DIVINO

欧洲风格与中国元素的有机结合是对天梵体验的最佳描述。无论是一场疯狂派对还是私密的贵宾体验,天 梵满足了所有人的需求。实话实说,我们都喜欢漂亮女孩,而天梵采用了一种拉斯维加斯流行的模式并加以改进,带进了我们自己的博彩之都。天梵旨在体现精致与经典,是一个与密友或商业伙伴相聚的理想之地。

我们遇到了天梵的营销经理Ringo Lei,他与我们分享了对天梵的理解,

"我们位于澳门商业区的中心,内部设计混合了传统中国和西方风格。它适合各式派对和聚会,我们的舞者从世界各地精挑细选,贵宾服务提供了一种拉斯维加斯式的体验。"

访问我们的网站www.wgm8.com查阅并评论《环球博彩》刊登的所有文章。

Divino calls itself "Macau's number one international show club" and who am I to argue. It has a great location in the heart of Macau, opposite the Grand Emperor Hotel, in the famous AIA Tower. When entering you are greeted by Divino's lovely door staff and escorted to two levels and 8,000 square feet of sheer opulence. State-of-the-art sound and lighting create the perfect atmosphere for an establishment like this. There are even VIP rooms overlooking the main stage and one that's so private, it has its own separate elevator entrance.

Inspired European styling with Chinese elements best describes the Divino experience. From an all-out party night to discreet VIP suites, Divino has everyone taken care off. Let's face it, we all like pretty girls and Divino has taken a model popularized in Las Vegas, improved upon it and brought it to our very own gaming capital. Divino aims to create a sense of refinement and class, perfect to enjoy with your buddies or close business associates.

While the WGM team had a great night out and can't wait to get back there, this is a new concept for Macau and there is no shortage of bars with pretty girls in this city. It will be interesting to see if the visiting junket players and Macau's residents embrace this new Western-style take on an evening's entertainment.

WGM的飞鹰本 期准备为寻找完 美旅行包的豪客 们做下导航。

最近几年,选择到娱乐场消磨周末的人数。列优质品牌既确保了行李的安全与干 不断上升,为这个挑剔的群体提供的旅行 包种类也日益繁多。以前不得不拎着手提 箱到处跑或打扮得像背着书包的青少年的 日子早已远去。买到既实用又不失高雅气 质的箱包如今已不是难题。

像Louis Vuitton、Tumi、Bally和 Hermès这样的箱包和皮具专家都有众 多选择,Ferrari、Porsche、Dunhill及 Zegna等设计师品牌也是如此。一系

燥,同时又维护了你的时尚风格。无论 是行李袋、手袋、背包、手提包、登山 包、手提箱或拉杆箱,最重要的是其实

0000

访客在澳门平均逗留1.5天,多数人 只带一两件换洗衣服、手提电脑或iPad, 也许还有一个西服袋。以下是我在挑选旅 行包时的五条建议,希望在你考量时助上 ·臂之力。

1.考虑可扩展性:一天的出行往往会变 成两天, 无论是由于不想放弃自己的 连胜牌局, 还是仅仅为了贪睡。你常 会额外买上一套衣服,像样地回家。 这时你会发现一个不受设计师眼光限 制的包才更重要。尽管有些时尚箱包 看起来紧实优雅, 可一旦多塞进一件 衬衣, 便会造成永久性的凸起。这种 包自然要避免。如果你是那种会多装 条泳裤和外套以防万一的人,至少 确保箱包的空间要足。

客房之间距离的不断加大,携带一个 即便是十公斤的行李都可能造成不小 的负担,如果处理不当的话。为此应 看重的特征是舒适的手柄、备用包带 (不会挤压背部或肩膀)、是否有滑 轮和伸缩手柄。在功能和重量间要做 好权衡。如果箱包本身已经三公斤 重,那么搭乘去澳门的直升机或选择 低成本航空公司时, 七公斤以上的行 李要花掉你不少银子了。

3.考虑耐用性:尽管有些箱包买来时 新潮可人, 你还应考虑使用几个月后 它会否"花容失色"。行李搬运工和 出租车司机可不管它是精致的小牛皮 还是纸箱,原本的时尚小包可能很快 为你减分,令你乍看像是应该背着红 白编织袋的旅客。尽量避免熠熠闪光 或奇形怪状的包, 以防它们被塞进

出租车后备箱里油腻的角落。 4.考虑方便性:一般来

> 瓶、旅行证件、 备用手机、iPad 以及充电器等物 品的外部口袋会 大有帮助。你应 该不会想为拿单 件小物品而频繁开 箱。多数箱包都有不 同的外部口袋, 因此要 选一个最适合你旅行习惯

说, 如果有一些装水

5.考虑内部口袋: 这是娱乐场常客必 须考虑的因素。内部的拉链口袋可以 确保身手敏捷的"三只手"不那么轻 易得逞。有次我随身携带的行李在最 后一刻被挪到机舱后部从而脱离了视 线,结果钱财失窃。内部口袋增加了 一层安全性, 是一个虽细微却有用的 措施, 为那些企图偷走你本金或赢金 的人增加难度。

在箱包产品琳琅满目的情况下, 选择一个合适的旅行包有可能令人困 惑但却非常有趣。选得聪明它会和你 长久相伴。带着自己熟悉的旅行包上 路将舒缓旅途压力一扔进你的衣物迈 出门即可! 🎇

# TO DE LISTE TRAVEL BAG TIPS

WGM's The Eagle navigates you through the myriad of options available to the jet-setting high roller when looking for the perfect travel bag.

The range of bags on offer to the discerning traveler looking to get away for a weekend of casino gaming has grown enormously in recent years. Gone are the days where you are forced to lug around an ungainly suitcase or cultivate the teenager with a schoolbag look. Now it's possible to travel with a practical bag yet still look sophisticated.

Luggage and leather goods specialists like Louis Vuitton, Tumi, Bally and Hermès all offer an excellent choice of luggage options, as do designers such as Ferrari, Porsche, Dunhill and Zegna. There are a host of quality brands with offerings to keep your belongings safe, pressed and dry, whilst maintaining your stylish image. Be it a duffle bag, overnighter, backpack, hold all,

weekender, newsboy or tote the most important thing is to select a bag with functionality.

With the average stay in Macau being a mere 1.5 days most people pack just enough for one or two changes of clothes, the trusty laptop or iPad, and maybe even a suit bag. Here are my five top tips on features to consider when selecting the perfect travel bag:

- 1. Consider expandability: Too often that one-day trip ends up in an extra night's stay. Whether this is a result of playing your winning streak or just plain oversleeping, you often find yourself buying an extra set of clothes just to get home in a respectable state. This is when having a bag unconstrained by the designer's eye becomes important. While some fashionable bags may look tight and elegant they often develop a permanent bulge the moment that extra shirt is jammed in. Such bags should be avoided. If you know you're the sort to pack an extra pair of swimming trucks and a blazer "just in case" then ensure you choose something spacious to begin with.
- 2. Consider comfort: How is the bag carried? With the size of airports and the distances between check-in and your room ever increasing, even carrying a 10kg bag can be a burden if the bag doesn't handle well. Features to look for are comfortable handles, optional straps that don't dig into your back or shoulders

and bags with wheels and an extendable handle. Remember the trade-off between functionality and weight. If your bag weighs 3kg before your items are packed, the helicopter ride to Macau or your budget

airline flight starts costing a lot more when you get hit with excess baggage charges for everything over 7kg.

3. Consider durability:

Whilst some of the latest bags look amazing when new, you should consider how they may look

der ty: ne of bags azing v, you onsider may look

after a few months of use. Being left to luggage porters and taxi drivers who don't differentiate between fine calf leather and cardboard boxes, your stylish tote can soon end up making you look like a person who should be carrying your items in a red and white jute bag. Try to avoid bags that are particularly shiny or are odd shapes in case they get squeezed into that spare greasy spot in the luggage compartment of the taxi.

- 4. Consider ease of access: It is often handy to have some easy access pockets for things like water bottles, travel documents, the second mobile phone, an iPad and chargers. You don't want to be always opening the main compartment for simple things. Most bags have different external pocket options, so select the one most functional for your travel habits.
- **5. Consider interior pockets:** A must for the regular casino aficionado. Internal zipup pockets ensure your winnings are that much harder to access by any "light-fingered"

individual who may come across your bags. I have had money taken out of my carry-on luggage when at the last moment, the bag gets moved from above my head to "down the back of the bus". Inside pockets give that extra level of security and are a small but useful deterrent against those seeking to lighten you of your bankroll or winnings.

With the many options available selecting a travel bag can be confusing but fun. Choosing wisely will result in a long term bond with the bag, and a familiarity that allows your travel to be even more stress free – just throw your things in and off you go!

#### 顺德菜馆

新口岸马德里街73号环宇豪庭地下AR铺 见地图L9 +853 2875 7367, 6356 6993 18:00 - 03:00(每日营业) 平均消费每人150葡币

#### SHUN TAK RESTAURANT

If you like hole-in-the-wall, mom and pop restaurants, then you will love this gem located right next to the famous Roadhouse in Macau. Although simple in its interior décor, their famous upright spring chicken is to die for! Chicken is served steaming hot on an upright grilled spit. No utensils are needed for this meal, just a pair of plastic gloves to help peel the hot, crispy, juicy, flavorful chicken meat off its bones. Their sauna seafood hotpot is also good value. The name says it all. It's filled with all kinds of seafood – clams, abalone, shrimp, crab, a whole fish and scallops.

After a delightful meal, who doesn't have room for dessert? Fried to perfection, the glutinous rolls are filled with shredded coconut, glutinous rice flour and sugar. Not too sweet, crispy on the outside and nutty on the inside. These little treats will be sure to satisfy your sweet tooth.

Shop AR, G/F, Wan Yu Villas, 73 Rua De Madrid, Macau Map location L9 +853 2875 7367 and +853 6356 6993 18:00 to 03:00 (7 days) Average price MOP\$150 per person

#### 佛笑楼3

澳门氹仔地堡街181号地下(大利猪扒包对面) 见地图T16 +853 2882 5257 12:00 - 22:30 (每日营业) 平均消费每人250葡币

#### FAT SIU LAU 3

One of the oldest and most famous Portuguese restaurants in Macau is Fat Siu Lau. Open for over a century, the signature dish they are most proud of is the roast pigeon, made using a secret recipe that has been passed down to the head chef through the generations. Its presentation, fragrance and taste are very impressive. Other traditional Portuguese dishes, such as African chicken, bacalhau and Portuguese style fried clams have also been popular additions to the menu over the last century. FSL's food has proved so popular they have opened two more restaurants. Fat Siu Lau 2 opened in NAPE in 2006, and Fat Siu Lau 3 opened in Taipa in 2009. The décor at FSL 3 uses fresh green as its main color and adopts a European style.
FSL 3 can hold private parties for around a hundred people and is located in Rua do Regedor, the most famous souvenir and food street in Taipa, close to City of Dreams and Galaxy Macau. In order to cater to a wide range of customers, they also provide discount package meals, so everyone can taste the authentic Portuguese cuisine.

Rua do Regedor, No. 181 R/C, Taipa, Macau Map location T16 +853 2882 5257 12:00 to 22:30 (7 days) www.fatsiulau.com.mo Average price MOP\$250 per person

#### SAN MOU I KUONG FOK CHIU

If you want to try one of the best noodle restaurants in Macau, check out San Mou I Kuong Fok Chiu. Besides its good food, the friendliness of the staff gains many loyal local customers. Although the restaurant is small and customers are squeezed in when eating, after a bowl of their delicious noodles you will see why this place is so popular.

In addition to the traditional rice noodles and thin noodles, we recommend the *kwai dieu*. With perfect cooking time, *kwai dieu* are served soft but not mushy and are especially good with meatballs and tiny oysters. The meatballs are handmade, so are deliciously soft and chewy and the oysters are surprisingly juicy. Don't forget to add chili sauce as it's a perfect match with the tiny oysters! This restaurant is very popular, so try to avoid the lunch hour. You will be hard pressed to get a seat!

#### **MEXICANA**

Mexicana has all the things you'd expect from a Mexican restaurant including the obligatory sombreros adorning the walls, and the spicy sauce rack offering an awe-inspiring fifty different types of hot sauce! All the expected Mexican fare is on offer including burritos, chili, chimichangas and fajitas. Everything is freshly prepared. You get free nachos and home made salsa to whet your appetite and while the menu is not particularly expansive the food is well presented. The tacos are a firm favorite either with crunchy or soft shells and a choice of beef, chicken, fish, pork or a combination. Enchiladas are also a good option, especially if you try the house special, the monstrous Mejia, a super-sized enchilada stuffed with chicken, onions, tomatoes, refried beans and Mexican-style rice baked in tomato sauce and drizzled in sour cream. Wash down your very reasonably priced meal with a cool bottle of imported Dos Équis, a margarita and one of their top shelf tequilas. Buen apetito!

617 R. de Fernao Mendes Pinto, Vila de Taipa Map Location T16 +853 2882 5829 12:00 to 15:00, 18:00 to 23:00 (7 days) Average price MOP\$100 per person

#### 百家乐传统与创新的结合 Where Baccarat Tradition Meets Innovation

"至尊"百家乐为传统百家乐增添了两个积宝奖金,在玩家作"至尊"和局投注时可以赢取。

当庄和闲在8点或9点上出现和局时,"至尊和局"特征会显现。

最多奖励10张金卡(取决于投注额),每张金卡可赢取奖金或积宝奖金!

Grand Baccarat brings more to traditional Baccarat with the addition of two incrementing jackpots that can be won when a player makes the Grand Tie bet.

When a player and banker hand tie on a total of 8 or 9, the Grand Tie feature is triggered.

A maximum of 10 gold cards are awarded depending on the amount wagered and each gold card will give a credit win or a jackpot win!

#### 游戏特征:

- 传统百家乐
- 包括至尊和局积宝奖金和对子旁注
- 还包括自选的龙宝奖或6点宝旁注
- 讲英语、普通话或广东话的视频直播荷官
- 英语、繁体中文或简体中文版的玩家屏幕

#### **GAME FEATURES**

- Traditional Baccarat game play
- Includes the Grand Tie Jackpot and Pairs side bets
- Also includes optional Dragon Bonus® or Super 6 side bets
- Live Video Dealers that speak English, Mandarin or Cantonese
- Player graphics in English, Traditional or Simplified Chinese

#### 个人终端机特征

- 可扩大的记录卡 一传统及延伸的"路"
- 玩家自选语言: 英语、繁体中文或简体中文

#### **INDIVIDUAL TERMINAL FEATURES**

- Expanding score card
  - Traditional and Extended trends
- Player-selectable language (English, Traditional Chinese or Simplified Chinese)
